PANTHERAMA...

He's hardly young, but he sports his 61 years proudly. They say good things improve with age. He has seen the day to day growth of greatness and as he looks back through the years, his green eyes sparkle gaily.

He stood beside the noisy, anxious sophomores as they spent their first days at O.H.S. He watched the first Homecoming win in three years, and he almost burst with pride. His roar was heard from the cheers in the stands when the Freeway League champs won 17 basketball games in a row, and went all the way to quarter finals in C.I.F. And the crazy excitement of Dutch-Irish did not go unnoticed.

Three-thousand students ran through the halls, yelled at their friends, worried about tests, thrilled at the sound of a certain voice, laughed a lot, cried a little, and he was here to view it all. He was also here when the only sounds were the silent prayers as the flag was lowered, when a man we loved was taken from us . . .

He taught us all a lesson that the textbooks failed to mention. He proved that School Spirit is much more than the lively cheers at a pep rally. Now he waits quietly while we ascend the steps for the last time, receive our diplomas, shed some tears, and bid farewell to our high school days at O.H.S.

Our minds are filled with thoughts of days gone by. And as he looks down from his place on the wall of Hod Chambers' Gym, he smiles. He knows that his footprints have left lasting marks upon our brightest memories.

The mighty Panther . . .

In Memory

of

President John F. Kennedy

1917-1963

A tall, quiet, dark-haired man stood before a massive crowd on a cold, crisp January morn. In his hand he held a crumpled piece of paper. He trembled slightly, as he spoke, but his voice was decisive. His words, which were to be repeated time and again, left a taste of patriotic awe.

John F. Kennedy is gone now. The man, who we loved and respected so much, has been taken from us. He died a hero, a martyr for freedom. But his death, and the way he died, are not nearly as important as his life, and the way he lived. His very death brought men, the world around, one step closer to the ideals he believed in and the principles for which he strived.

In our sorrow we forget our petty prejudices. We look at the grief-torn world with humble hearts and see all that he worked for that is still undone. And our minds wander back to that same January day, just three years ago, and finally grasp the meaning in his words, "Ask not what your country can do for you, but what you can do for your country."

For everything there is a season, and a time for every matter under heaven; A time to be born, and a time to die, . . . a time to weep, and a time to laugh, . . . a time to keep silence, and a time to speak, . . . a time for war, and a time for peace . . .

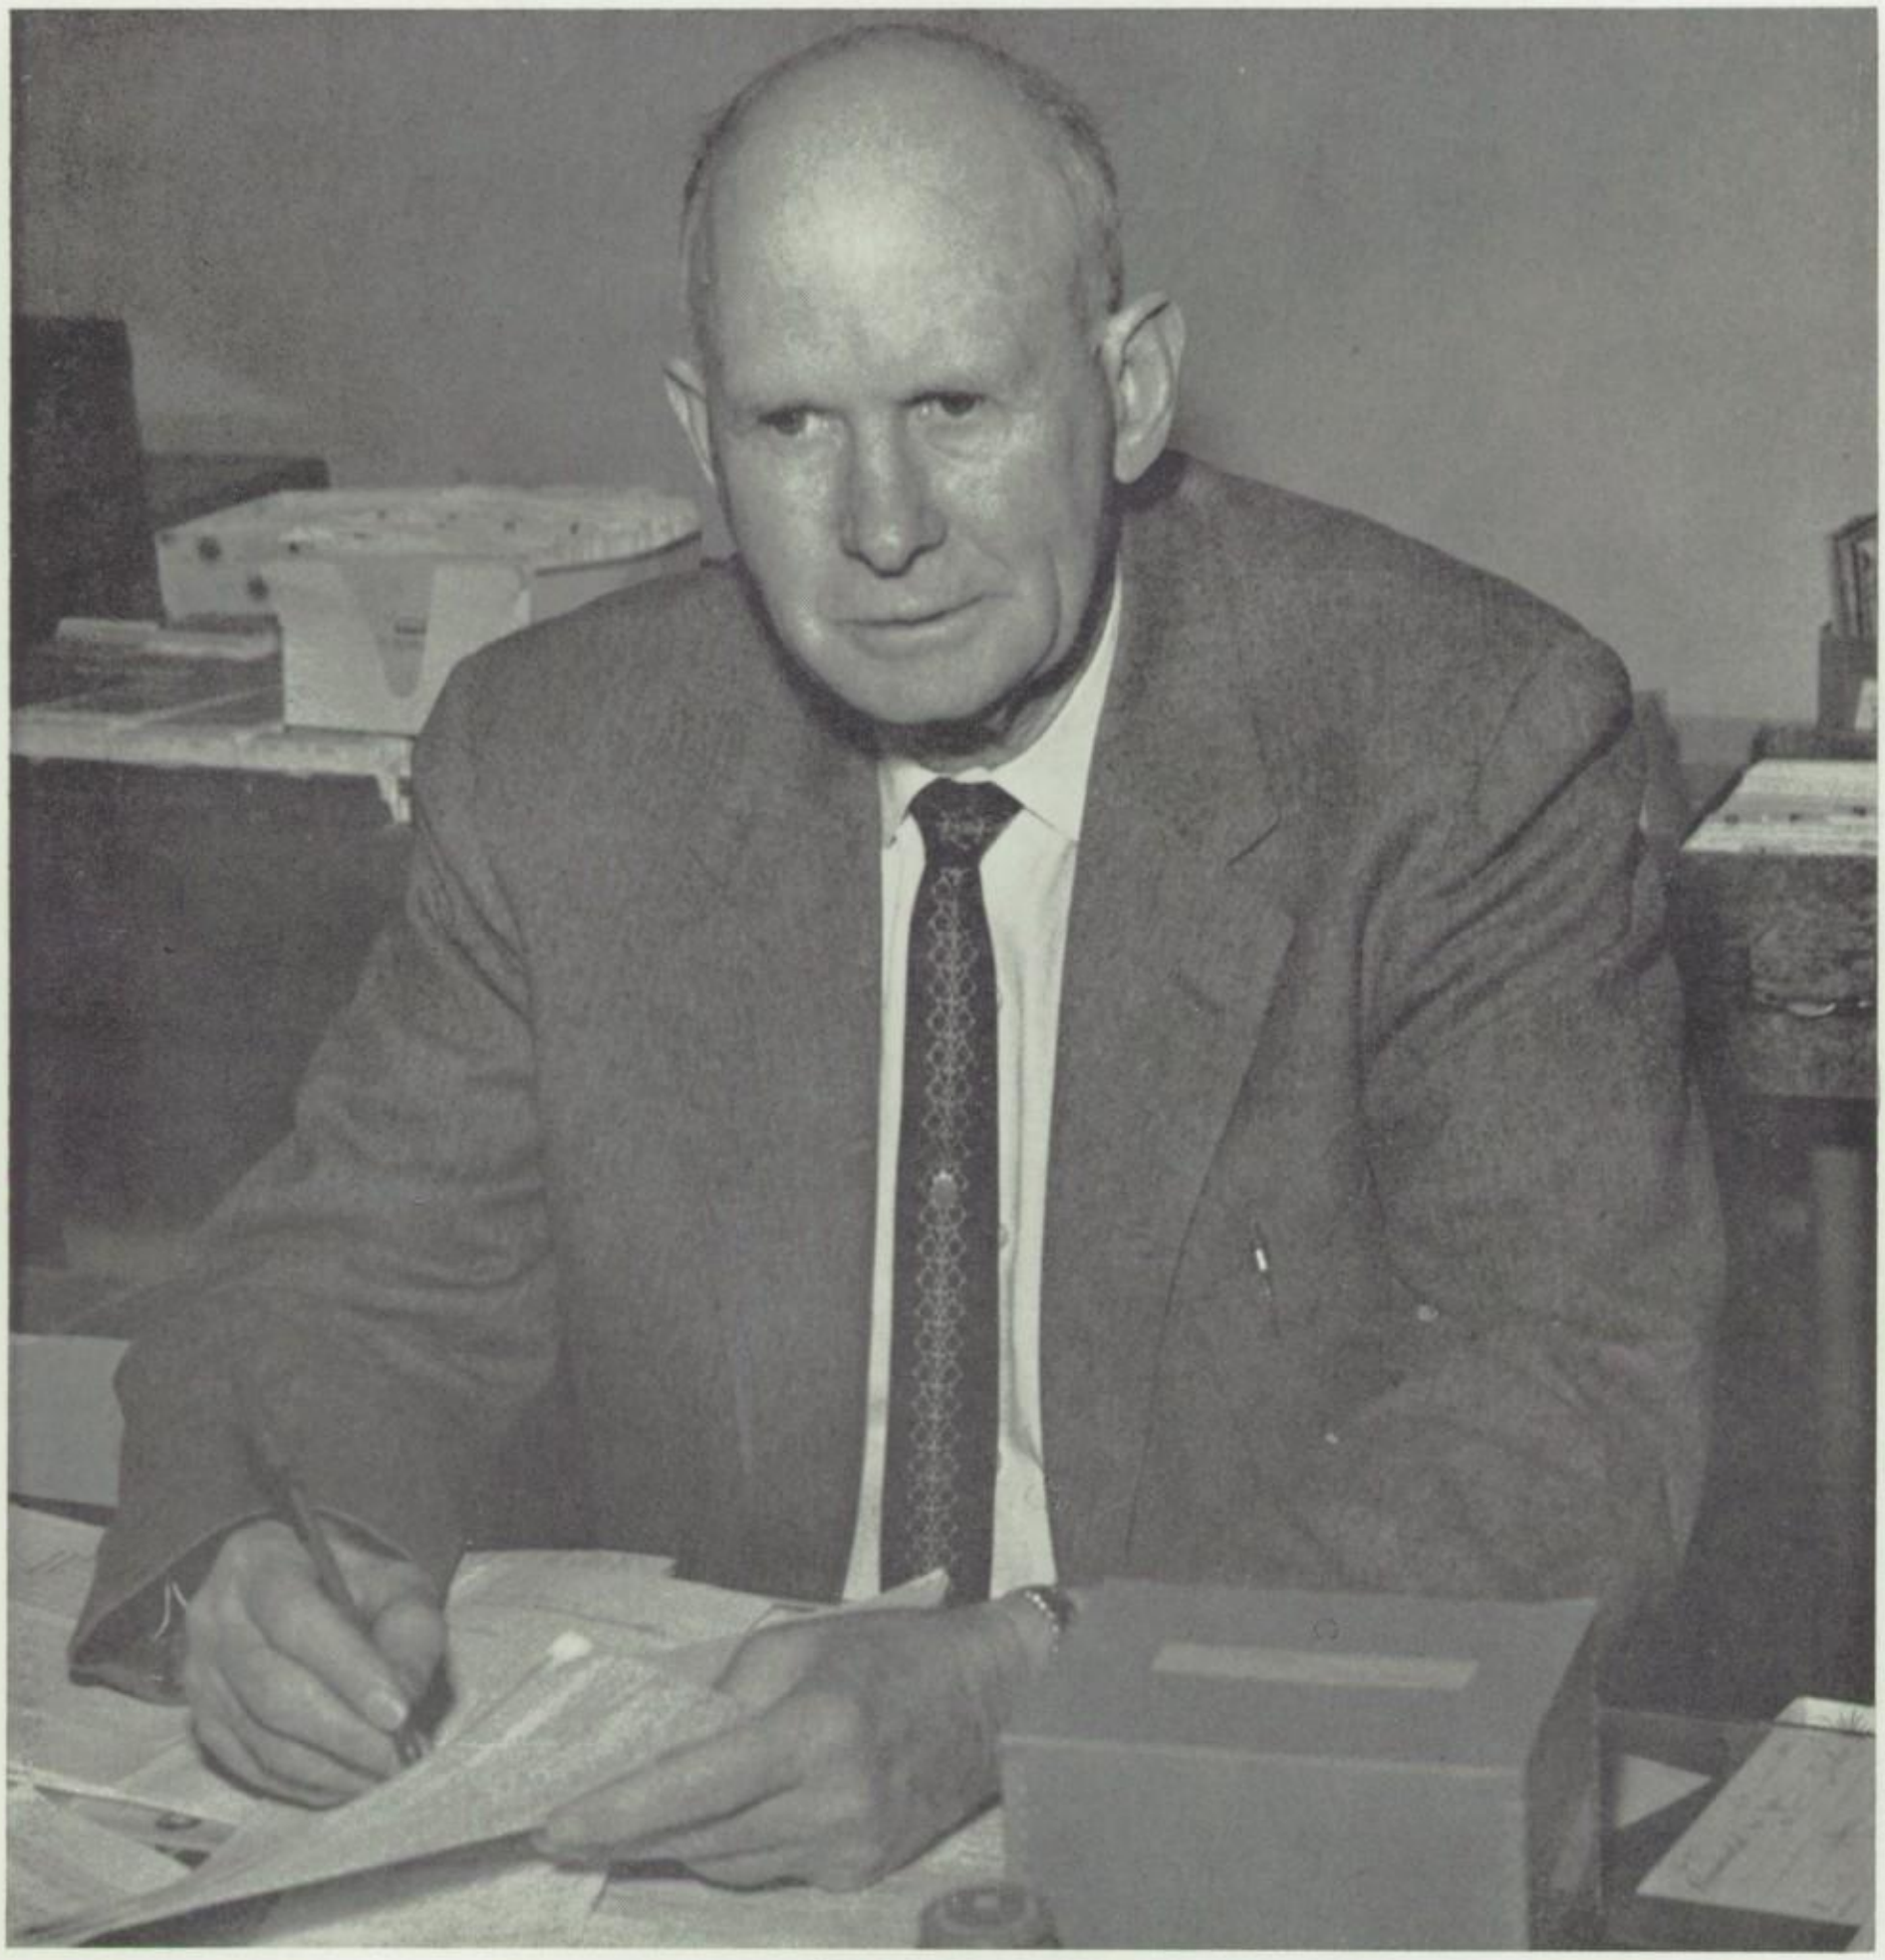
Ecclesiastes 3:1-8

The Students of OHS—Past and

GRACE ROBERTSON

MISS GRACE Robertson, who started at Orange High School in 1925 as a P.E. teacher, has seen two generations of Panthers pass through the halls and classrooms of OHS. Graduating from Pomona College with a B.A. degree, she has been an active alumnus of that school over the years. Her responsibilities at OHS have encompassed a large spectrum of activities, supervision, and sponsorship. Perhaps the closest thing to her heart is the very vital and energetic sponsorship of the Girls' League. Her smiling face, sharp wit and never ending enthusiasm have certainly been inspirations to the many high school students whose lives she has touched. Her endless efforts to prepare every OHS graduate for a constructive and useful place in society have seen Miss Robertson hard at work encouraging students to continue their education in colleges and universities, business and industrial schools. Enough cannot be said for the tireless dedication with which Miss Robertson has served the youth of this community during her very professional career. To you, Grace Robertson, we dedicate the 1964 ORANGE and WHITE, as a tribute to your accomplishments as an educator—but more than that, as a person.

Present...Dedicate to You...



COL. JAMES BARNETT

IF KNOWLEDGE is golden, Col. James C. Barnett is the wealthiest man in history; World History, that is. After over forty years in the military, two World Wars and a Ph.D. in Education, the Colonel finds the students of Orange quite well behaved but still memorable. Sophomores venture into a world of the adventurous past as they enter Room 203. They remember the First World War films narrated by the man who was there, and the sniper's rifle with four notches on the stock. The Colonel is most noted for the stature of his noble heart and his ability to teach each student effectively. He does not conform to "book learning". Everyday he enlightens the lesson with souvenirs, slides, or other unusual teaching aids which instill his scholars with the interest and the desire to learn. As each summer approaches, the Colonel gets the yearn to travel. Every summer for the past nine years, he has conducted a tour to Europe or some other distant part of the world. But unlike previous fall semesters, this one will not return him to Orange High School. Col. Barnett lives for others, and therefore, he truly lives himself. The students of OHS are proud to dedicate this, the 1964 ORANGE and WHITE, to you, Colonel Barnett, in appreciation of your tireless years of understanding and valuable educational instruction.

The Crazy World of...

The bell rang for the first time . . . but nobody heard it. Over 2,000 roaring Panthers packed into the outdoor theatre, admiring the new sidewalks, talking, hollering, laughing, and flirting. Seniors in the front, "The mighty class of '64, the greatest year ever!"

At 12:30 the scene repeatd itself as new and anxious sophomores, 1,200 strong, were introduced to OHS and double sessions, heard their Alma Mater for the first time, and searched frantically for their classrooms.

"Hi!" A friendly word that set the pace for the rising school spirit. Friday the 13th—who said that's an unlucky day—when you can meet anyone you want by simply wearing a "Hi-Day" card and a smile.

"Sing the chorus, raise the banner for our Victory . . ." The mighty Panthers sang with pride while celebrating their 20-0 win over Tustin—the first real Varsity gridiron victory in two years! A happy time for seniors who remember sadder days.

It started out hot and it got hotter. Sweltering Panthers survived two days of 100+ temperatures, but the third day was just too much. After three periods of unbearable heat, like rebels who finally found a cause, scores of students staged a massive sit-down strike in the lunch area, protesting classes in the 113° heat.

November the 1st—All Saint's Day—brought blessings and spread them thickly in the land of the Panthers, as "Spanky's kids" drove a hard Homecoming battle and beat Bolsa, 26-6. Queen Jorja Garrison reigned over the festivities that followed the first Homecoming win in three years. The mighty Panthers, true to form, had come home with victory in the bag!

It was a quiet, warm Friday morning. Students sat in classrooms taking tests, glancing out the windows and whispering to friends. Suddenly a firm, solemn voice came over the loud-speaker. "There have been rumors . . ." Suddenly everyone was silent . . . "The President of the United States has been shot." The silence turned to a deadly calm and then quickly rose to frantic and searching cries of disbelief and horror. Within the hour the rooms were again silent . . .

"SPANKY AND THE KIDS" stand up proudly to hear the Alma Mater, after their 26-6 Homecoming victory to Bolsa, at Chapman College.

PANTHERS WENT all out for that "Hi" spirit at the Howdy Dance, the first dance of the year. Sponsored by the senior class, the dance was held to welcome back the old returning students and to get acquainted with the new ones.

STUDENT LEGISLATURE president, John Hughes, calls for order.

THE RAIN comes down and cleans the bulletin board, a gift to Orange High from the class of '62.

SENIORS WAIT anxiously for the start of one of the National Assemblies that were presented this year.

SENIORS, RICK French, John Crook and Larry Rasmussen promote the Student project and clean up the lunch area.

HEAD YELL leader, Mike Mannell, rests between cheers, to watch the game.

OHS

"Won't we ever get home?" The week before Christmas Vacation found certain senior Panthers with dark circles under their eyes, due to the midnight play try-outs. But all that loss of sleep paid off when the Class of '64 presented the roaring success, "The Courtship of Eddie's Father" at the end of February.

Stars shone brightly in the eyes of Songleader, Reggie Pearce and Commissioner of Elections, Ron Schade, as they were crowned King and Queen of the Coronation Ball, "Fantasy in Frost", at Orange Coast College, on December 21st.

"Parties, parties and more parties—and then back to school!" January 6th and the frolicking Panthers dragged their feet from class to class on the first day back to school after two joyous weeks of much needed rest at Christmas Vacation.

At the end of January Panthers found themselves cramming for mid-term exams. Two horrible days of finals!

The place is Shaffer and Walnut. The time is 7:20 A.M. The usual scene is utter chaos. Today it is even more so. Someone forgot to open the OHS parking lot. Over 300 Panthers searched frantically for some place to park on the side-streets, most of them making it to class a few minutes tardy.

Dutch-Irish, a thirty year old tradition up-dated to 'Modern' standards. Red and green costumed Panthers ran, skipped, jumped-rope, played hop-scotch, shot each other with squirt guns and attempted to dodge teachers. The game found the Irish as the glorious victors.

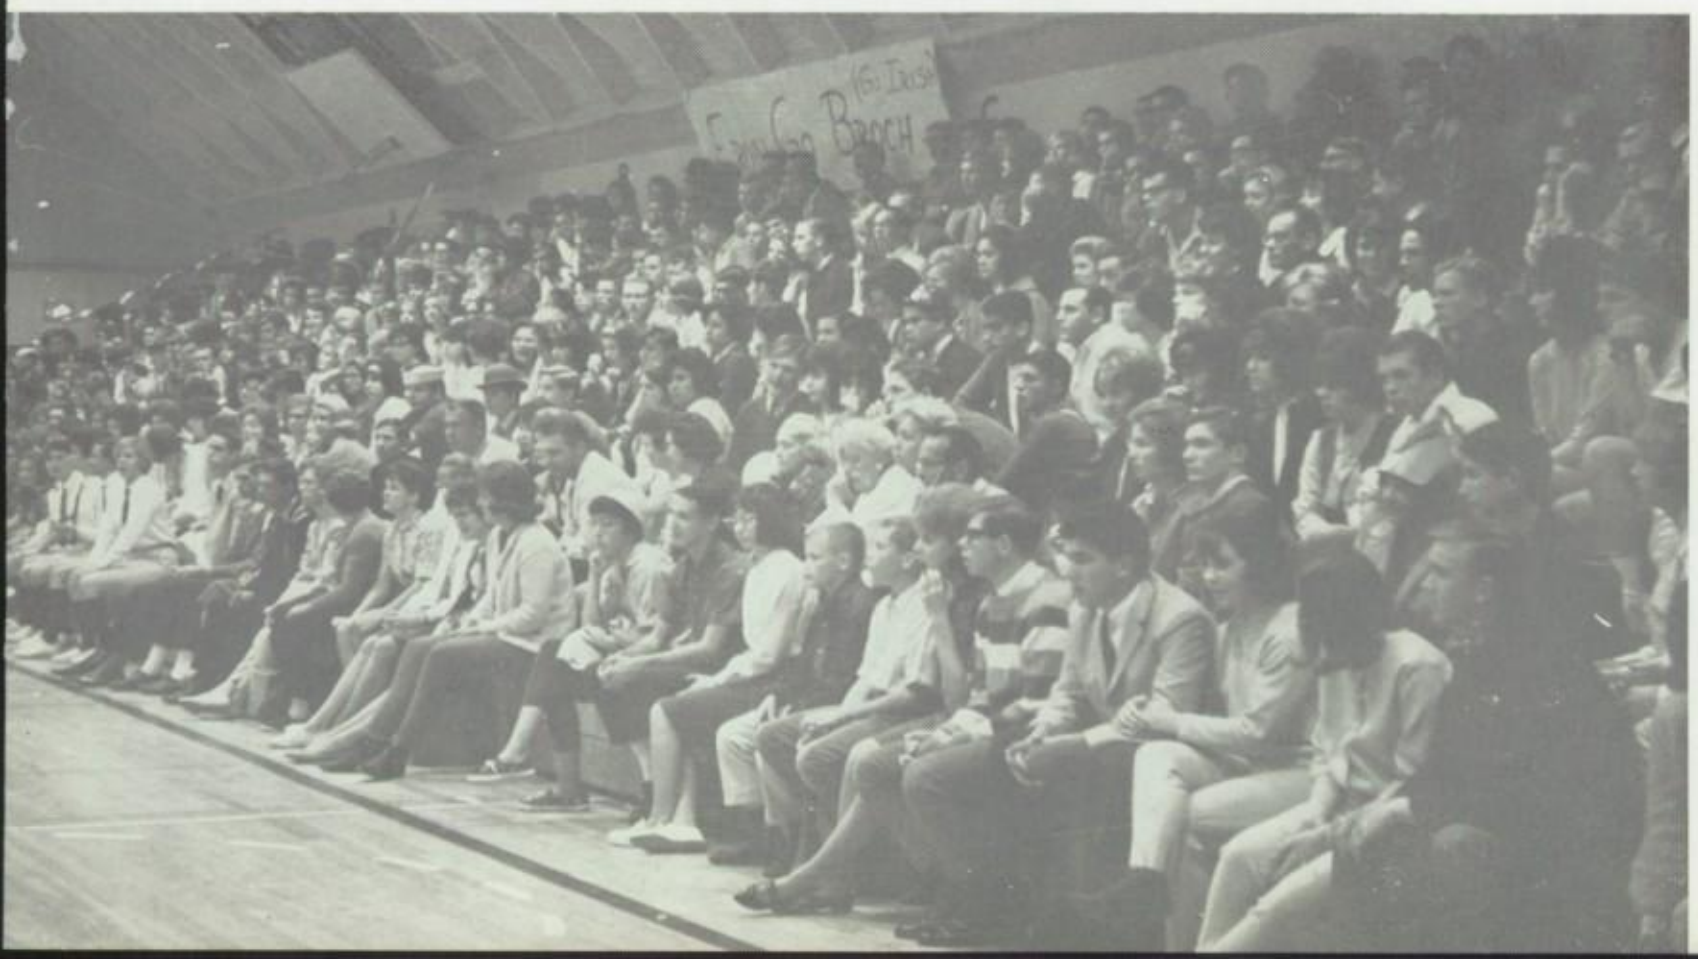
MONDAY MORNING heard the "Call to Colors" played loud and clear from the Senior Patio to the far corners of the campus, as the Panthers stood to salute the flag.

YELL LEADERS Mike and Myra, worry aloud to Mr. Len Surles at the last CIF Basketball game with Pius X.

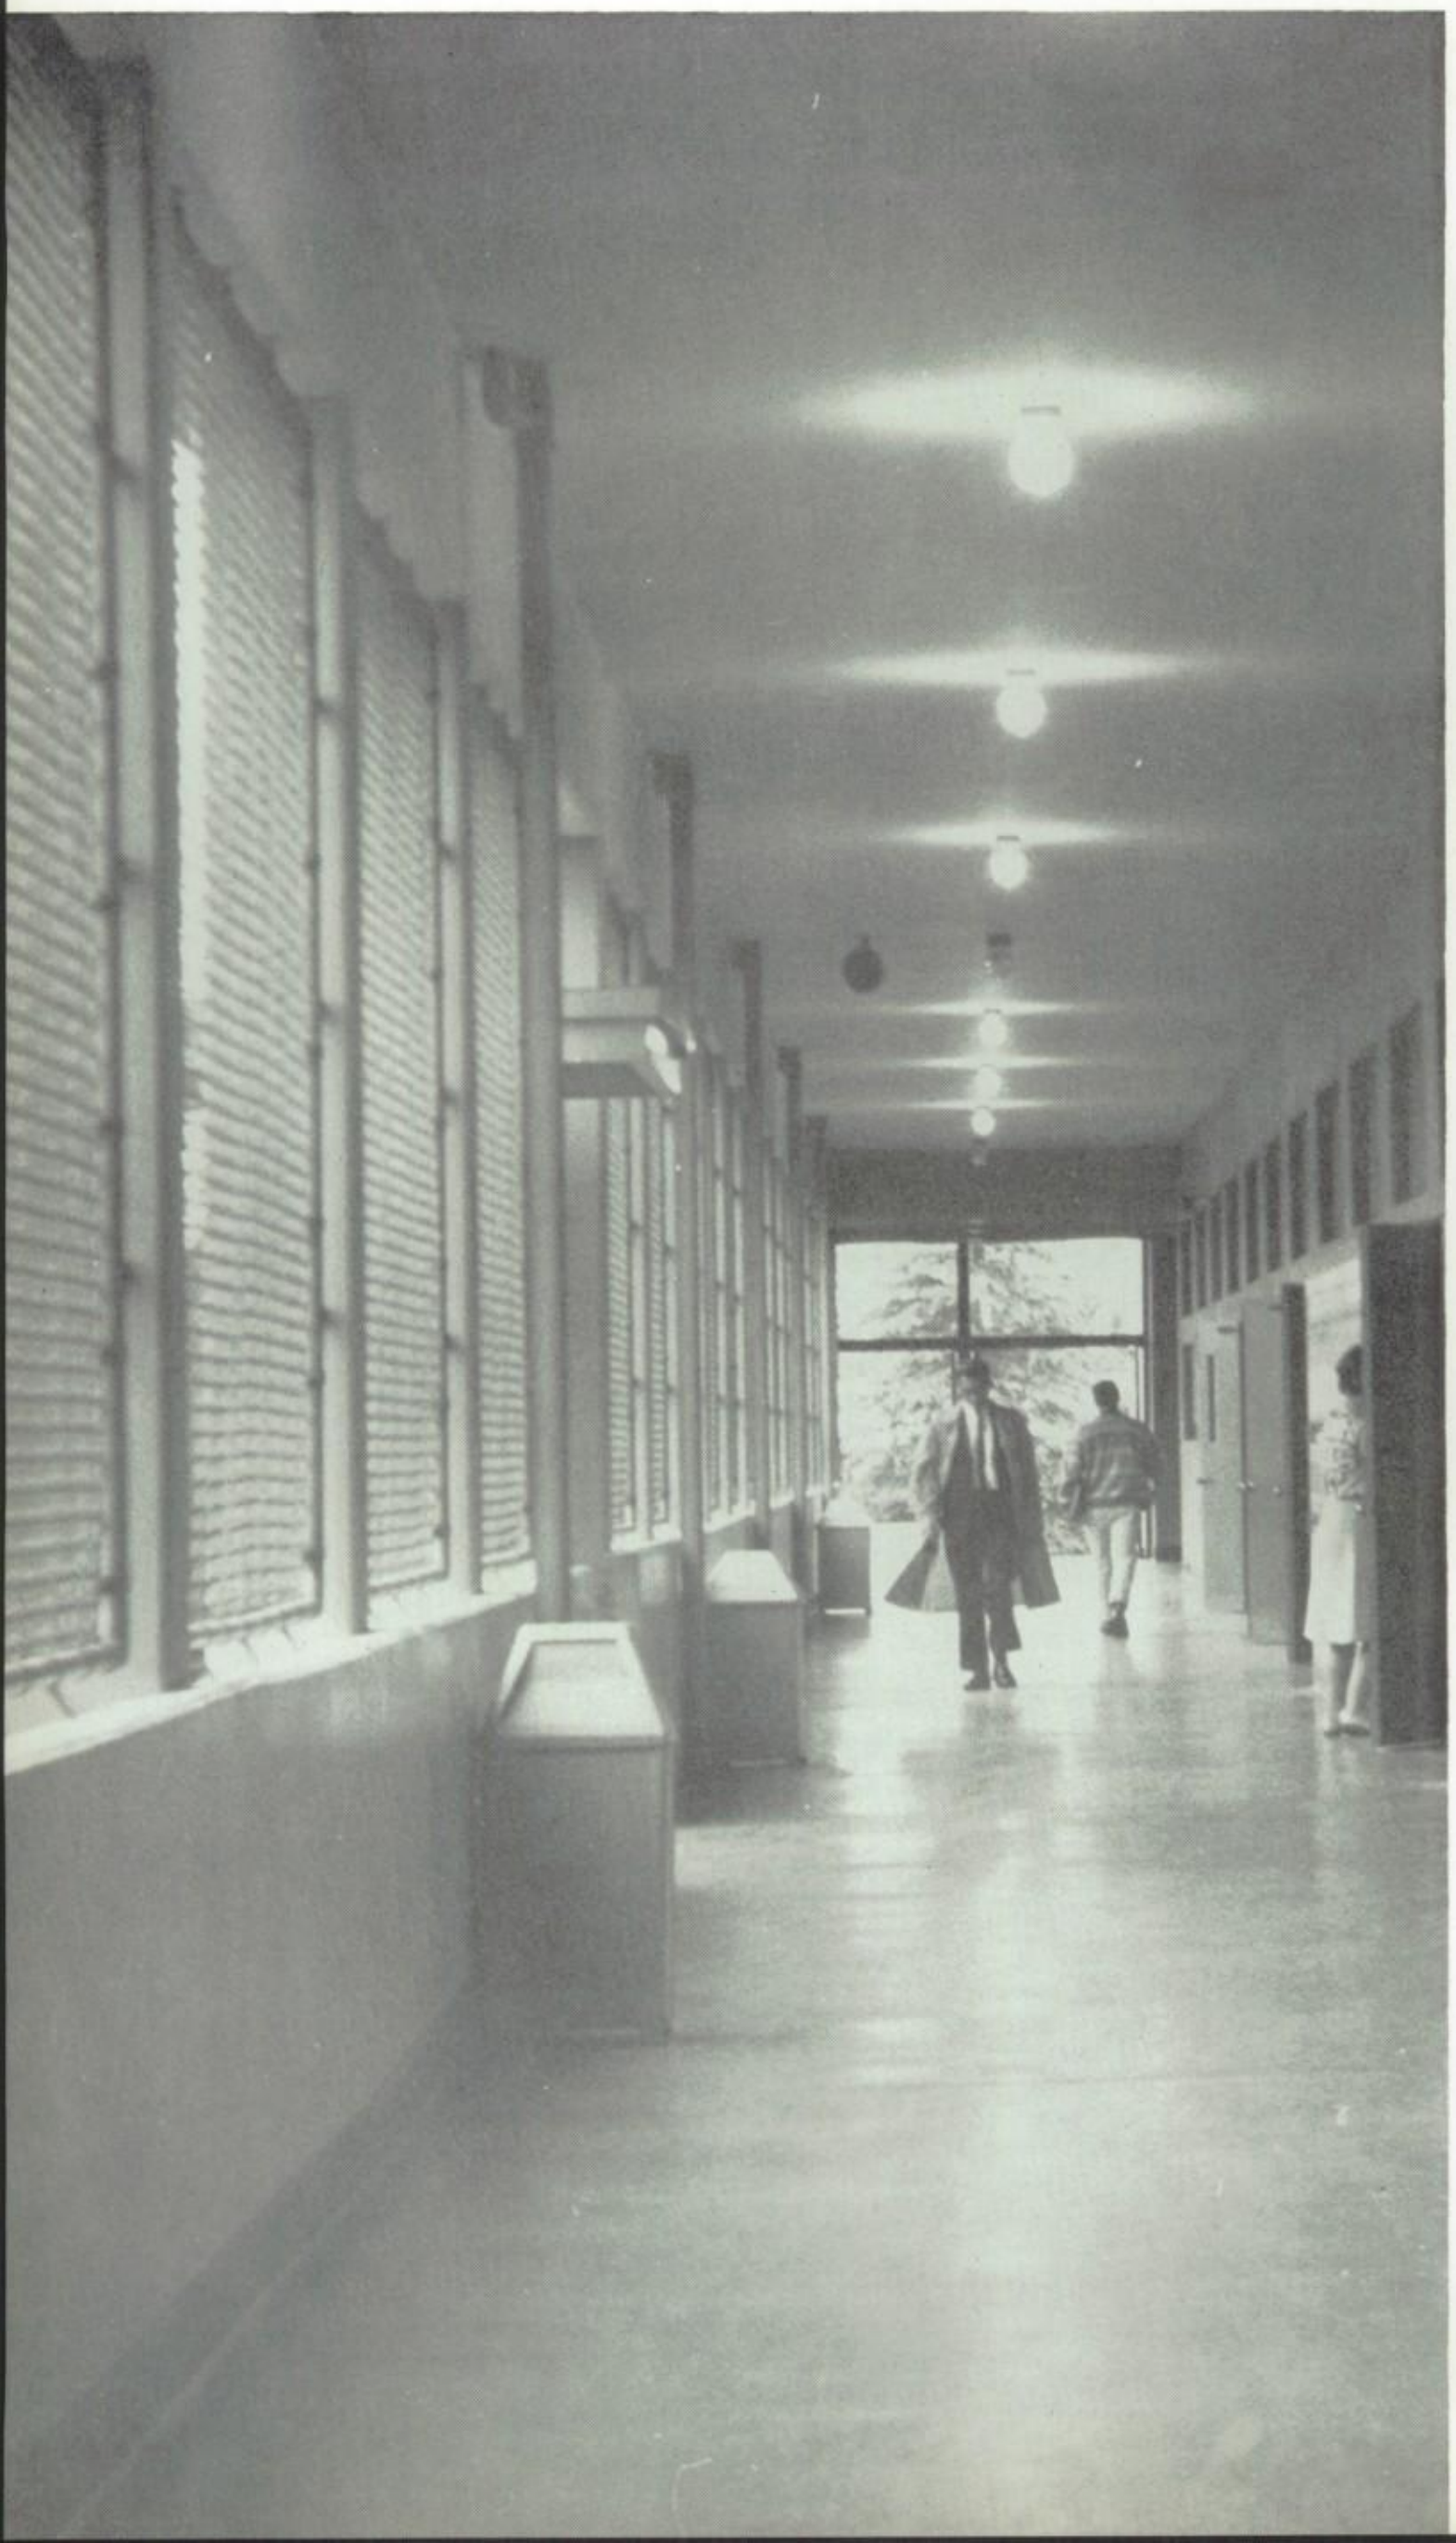
Sounds of the Land of the Panthers

Monday mornings' bugle call brought patriotic Panthers to their feet as they saluted the flag and said the pledge.
Panthers were again brought to their feet, but some found it difficult to stay in an upright position, at the afternoon Garden Grove basketball game. Both teams were vieing for the Freeway League championship. Second place Garden Grove was making her last fatal stab at victory in an attempt to upset the top rated Panther squad. The closer-than-close game, which changed leads several times, was won by the Panthers, with a field goal in the final seconds, to bring the score to 61-60. The Argos were a little more than upset. Emotions got out of hand, and what had been a calm and quiet display of sportsmanship, in comparison, turned into a fast and fiery, fist-fighting brawl.
"Come on, all the way—Undefeated Champs!!" The crowds were hysterical most of the time as the underdog Panthers took their perfect Freeway League record, 15-0, all the way to CIF Quarter-finals, to finish the year in a downfall at the hands of Pius X, with 17 straight wins.

PEP CLUB members worked long into the twilight hours on Thursday nights to prepare posters and 'victory trees', urging our boys to play harder and win for Orange.



RIVAL FIGHTING fans confront each other on the "battle field" at the traditional Dutch-Irish basketball game.



QUIET MOMENT in the main hallway is brought to an abrupt end when the sound of the bell floods the corridors with Panther populace.

Silence Sustained—and then Chaos...

CROWD OF REVELERS . . .

Quiet moments were few at OHS this year. Hallways were usually populated from early morning when the custodians arrived, through the normal school hours ending at 5:10 P.M. and on into the night when classrooms housed club meetings, play rehearsals, and night school classes. Friday nights again saw the crowds at basketball games and dances or various school programs.

Dutch-Irish just brought a visible change in the Panthers. The noisy, unrestrained spirit was the same throughout the entire year, though the outward appearance was somewhat altered.

FUN AND FROLIC . . .

RESTING AFTER a hard and successful season, the 'C' football team members lay on the lawn and wait for the bus.

Resting, Racing or Rioting...

RACING TO be first out the gate, Panthers run from 5th period classes at the sound of the final bell and hurry off-campus, out of the parking lot, to lunch or down to the beach.

HIGH ON the wall of Hod Chambers' gymnasium, the mighty Panther, the Spirit of OHS looks down and keeps a watchful eye on the campus.

The Panther Roar Is Heard!

Yelling, shouting, laughing, running, flirting, giggling, talking, eating, gossiping, studying, worrying, crying, working and playing, the Panthers prowled their way through a varied and interesting school year. They watched a successful football season give way to a championship basketball season, messed-around on Dutch-Irish, staged two full scale riots in one year, and gave the faculty a pretty hard time.

Next year will find the OHS Panthers of 1963-1964 spread to the far corners of the globe. Some will remain at Orange High for another year or two. Others will transfer to the new Villa Park High School which will open in September. The Senior class will attend the three local J.C.'s, colleges and universities around the state and across the nation. Others will attend business and trade schools, go to work or get married. The faces of the faculty, too, will change in the coming year. But the mighty Panthers have left an unmistakable mark on Orange High.

Their footprints will not soon be forgotten . . . how could they, there were so many of them.

PATTY PANTHER, Jorja Garrison, the visible 'Spirit of Orange High', swings a while on the OHS athletic field.

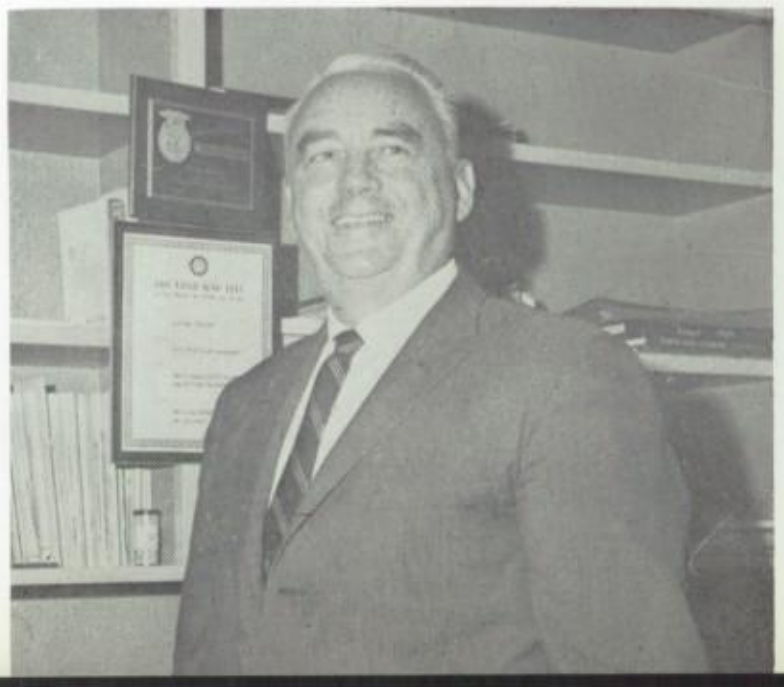
ASSISTANT PRINCIPAL, Grace Robertson discusses her busy counseling schedule.

BILL MONTONA, Assistant Principal, listens to a new change in curriculum.

MR. TOWNSEND stops for a moment in his busy day.



Providing administrative leadership for the "Home of the Panthers", Mr. Townsend, Miss Robertson and Mr. Montona spend many hours working on the endless problems of operating Orange High School. Their job is not an easy one, but they do it with efficiency and deep student interest.

Always Available at OHS

Rounding out the administrative picture at OHS, these four spend much of their time dealing with student curricular problems and personnel projects. Both Mr. Ingall and Mr. Raynor work not only with the disciplinary problems which arise, from time to time, with "unruly" Panthers but also with the counseling of individual students and with campus supervision.

Mr. Osborn and Mr. Surles handle all aspects of student activities. They attend and supervise all student government meetings, and chaperone all dances and campus social activities.

Needless to say, these are four very busy men.

UPPER-CLASS Vice principal, Jay Ingall, is caught "smiling" between one of his many student counseling sessions.

WALLY RAYNOR, Sophomore Vice-principal, takes a moment to listen to a student suggestion.

STUDENT ACTIVITIES Co-Directors, George Osborn and Len Surles are seen in a familiar pose, at the door of one of the many OHS dances they supervised this year.

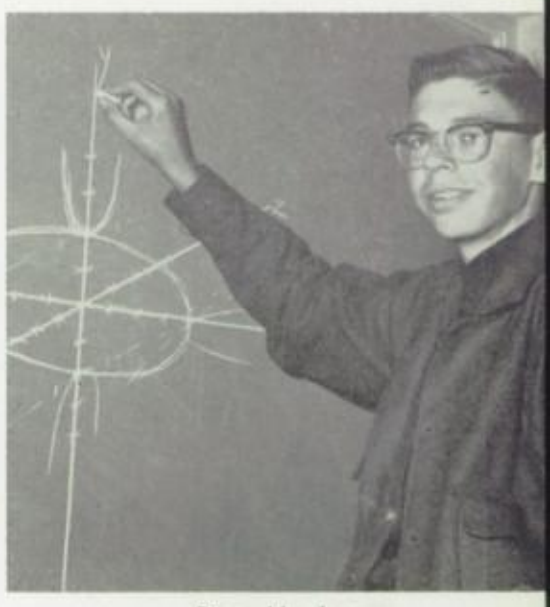
Scholars Win Merit

Rhodell Minks

Every year college-bound juniors, at OHS and across the nation, take the National Merit Scholarship test. The following fall Semi-finalists are announced and these few selected students may try for a rating of Finalist. From these Finalists several winners are chosen to receive National Merit Scholarships. However, it is a very great honor to be chosen as a Semi-finalist in this very competitive test. Orange, this year, had six senior students who have received this honor.

RHODELL MINKS has been active in French Club, Literary Club and appeared in both the Junior and Senior Class Plays. He is an accomplished musician and plays both the piano and organ. He has taken part also in several local musical productions out-side of school. He was active in the organization of this years' Syllabus, and is a member of CSF.



Dean Hartley

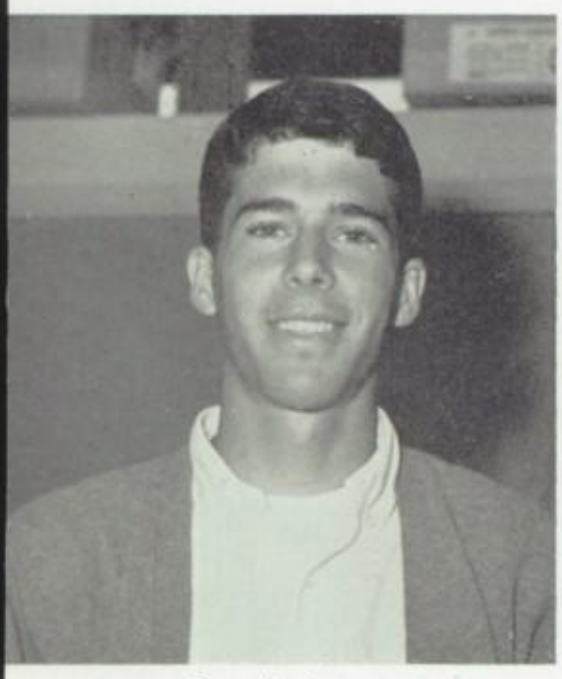
DEAN HARTLEY considers math and science to be his favorite fields of study. He is an active member of French Club, Science and Latin Clubs. He also manages the baseball team. Dean displays his scientific interest by taking Physics and being a chemistry lab assistant. He has maintained an A average and is a member of CSF.

Robert Hartwell

ROBERT HARTWELL is well known for his performance in the Junior Class Play "Our Town" with the leading role of Stage Manager. He also appeared in this years' Senior Class Play. Bob is a member of Science club, Banking and Finance, FTA, Spanish and Literary Club and Student Court. He has maintained an A average and is Life Honor CSF.

ALICE WARD, the only girl to achieve Semi-finalist at OHS, plans to become a psychiatrist. She, also, appeared in the Junior Class Play. Alice is active in Literary Club, Spanish club, and Future Teachers. She is Life Honor CSF.

Alice Ward



Cary Hunter

CARY HUNTER, who is ASB President, is graduating first in the class. He also appeared in the Junior Class Play. Cary is active in Key Club, Student Cabinet and Lettermen's club. He was also president of his sophomore class. Cary was chosen "Mr. OHS" by his fellow seniors, and received the Harvard Book award in his junior year. He is Life Honor CSF and has received an appointment to the Air Force Academy.

VAL FADELY is not only Life Honor in CSF, but also president of the club. He is a member of several campus organizations including French club, Key club, Banking and Finance, Student Court, Boys' Forum Cabinet and Senate. Val is a Letterman and has maintained a near perfect scholastic of A. He is graduating second in the class, and was chosen as "Most Likely to Succeed" senior boy.

ORANGE UNIFIED School District Board of Trustees are: Gilbert Darwin, June Hawkins, Bert Skiles, Kenny Rohrs, Miriam Welch, George Smith, Bob Elliott.

OUSD SUPERINTENDENT, Harold Kibby.

Smooth operation of an efficient high school, such as OHS, takes a lot of time, energy and skill. The Board of Trustees, an elective body coming from the interested community of Orange, spends many hours of hard work developing policy for the school district and, in particular, the "Home of the Panthers". The Board is made up of interested, dedicated community leaders. Guiding the Board's activities, serving as the clerk, and offering professional advice, is the Superintendent, Mr. Harold Kibby. Together they have made OHS one of the top schools in California.

Mr. and Miss OHS

"All American" would be the adjective with which to describe Jorja Garrison and Cary Hunter whose personalities present a composite of all the wonderful qualities we strive for. For the leadership and ideals they have shown us these past years, they truly deserve the honor of being named MR. AND MISS OHS.

"Our Town"

"OUR TOWN" director Miss Alfreda Hull worked long and hard on the production of the Junior Class play last year.

BOB DOSS, Chris Viel, George Malley, and Leona Doss enjoy breakfast at the Gibbs' household, as stage manager, Robert Hartwell, looks on.

In April of 1963, the class of 1964 produced the famous stage and literary hit "Our Town". Under the direction of Miss Alfreda Hull, last years' Junior class made Grovers Corners live again, on the OHS campus, as Kathy Sanders put life into Emily, and Bob Doss played George Gibbs, the boy next door. The gibbs and Webbs were Thorton Wilder's examples of typical New England families at the turn of the century. The first act entitled, "Daily Life", showed routine life in a small town. The families were confronted with typical domestic problems. Act II brought young love into the picture as George and Emily marry and start on a life of their own. The play ends with Emily's death and her return to Grovers Corners to relive one day of her life. The audience was lead through their journey of Grovers Corners by the able stage manager, Robert Hartwell.

LEA ANN Little, Cary Hunter, Terry Knaus and Kathy Sanders eat breakfast at the Webb's house.

The Junior class worked long and hard to perfect their production of the play. Their efforts were not in vain. Miss Hull spent hours working with each individual cast member. Other members of the cast included Alice Ward, Rhodell Minks, Brad Becker, Rick French, John Crook, Tom Rogers, Larry Rasmussen, Ernie Buffone, Robyn Parmalee, Paul Hansen, Sandy Skoglund, Willard Haynes, and Gloria Gonzales.

Panthers Led by Chief

PRESIDING OVER assemblies, such as this Christmas Assembly, was one of the main jobs of A.S.B. President, Cary Hunter.

JOEY COLON represented O.H.S. as Vice President of the California Association of Student Councils, District 21.

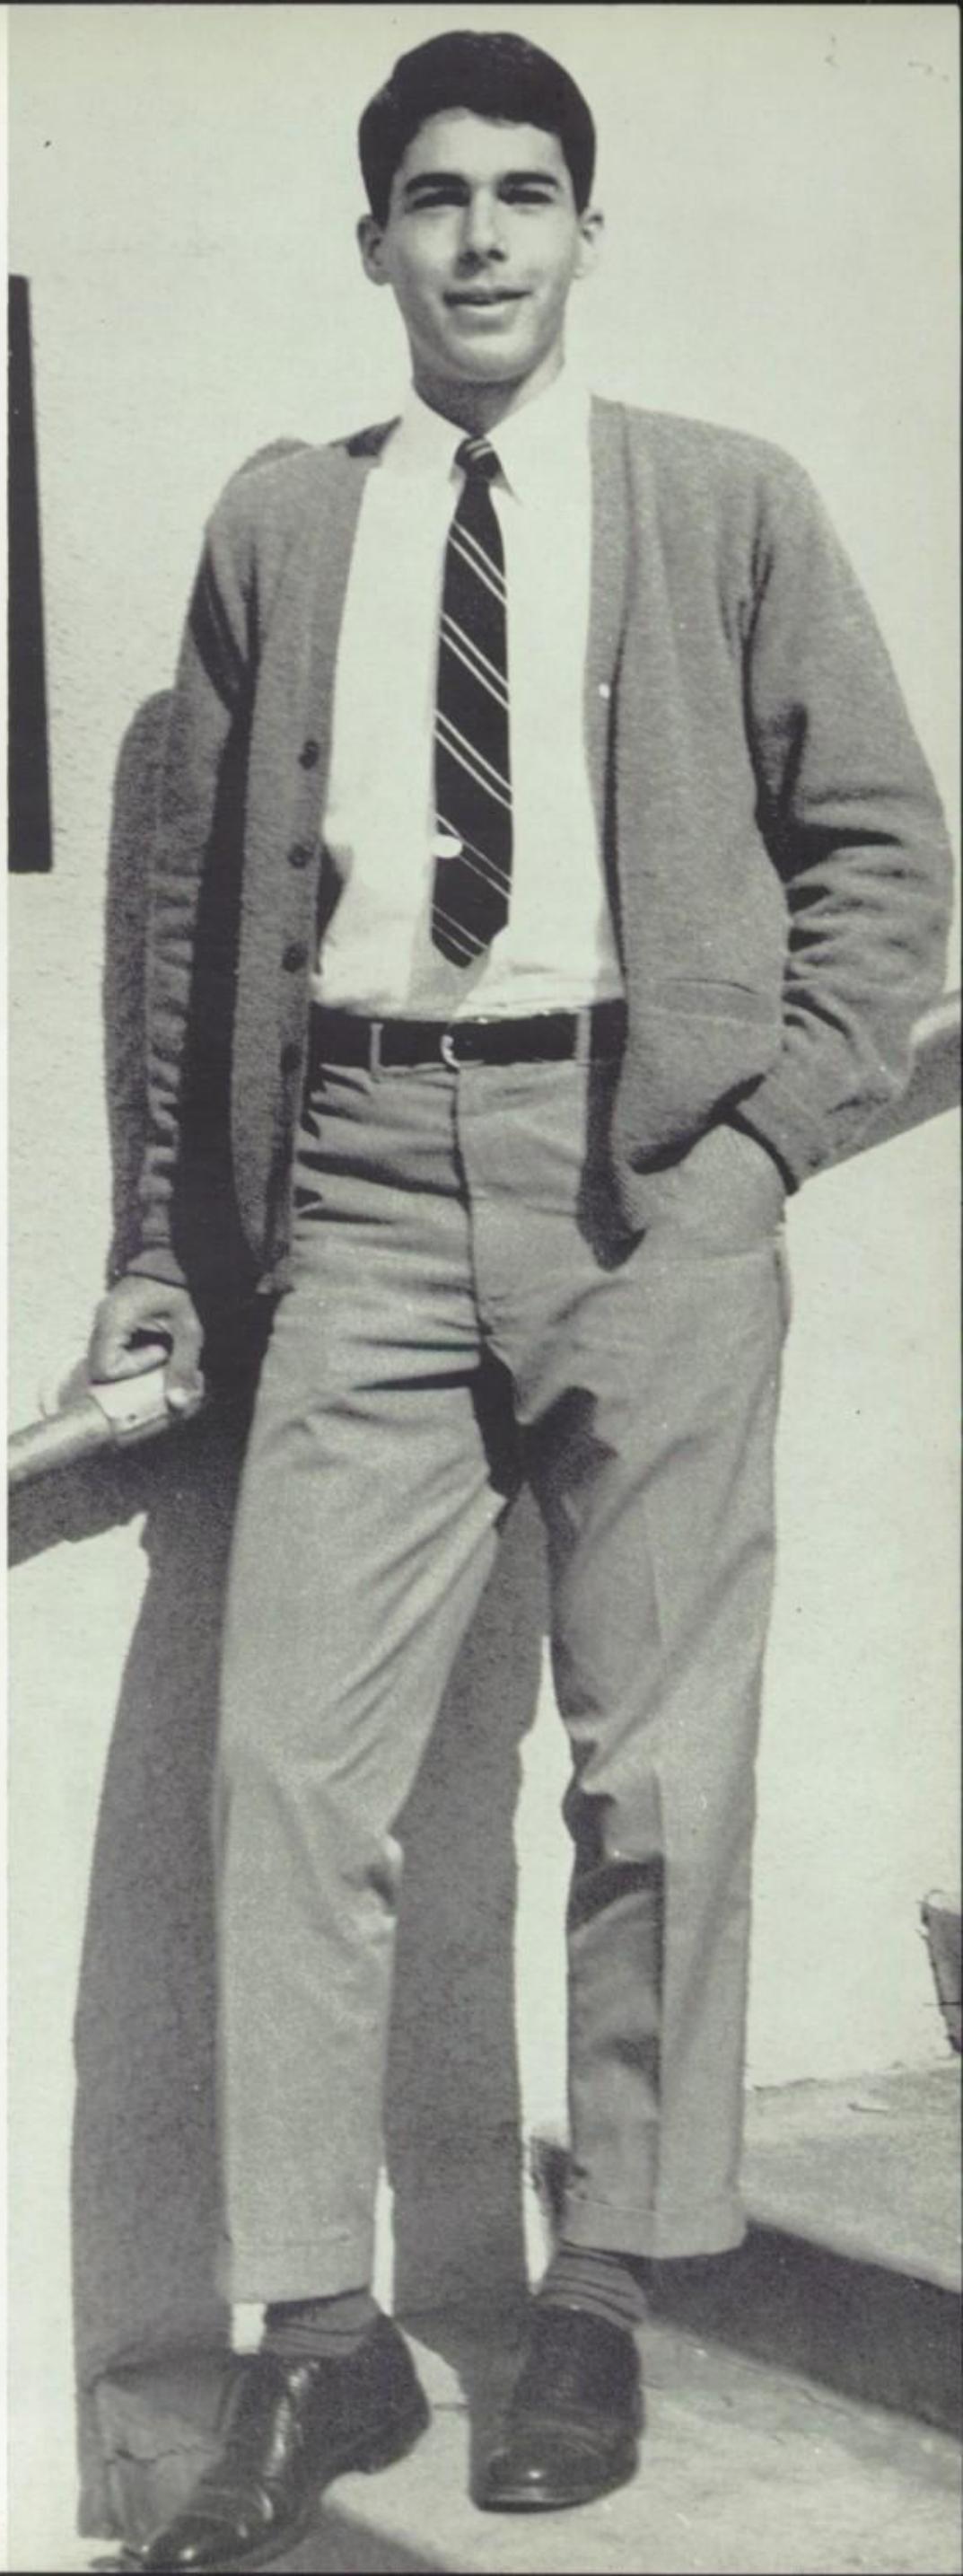
JOHN HUGHES conducts the House of Representatives in a discussion of an important problem that will affect the entire student body.

Hunter

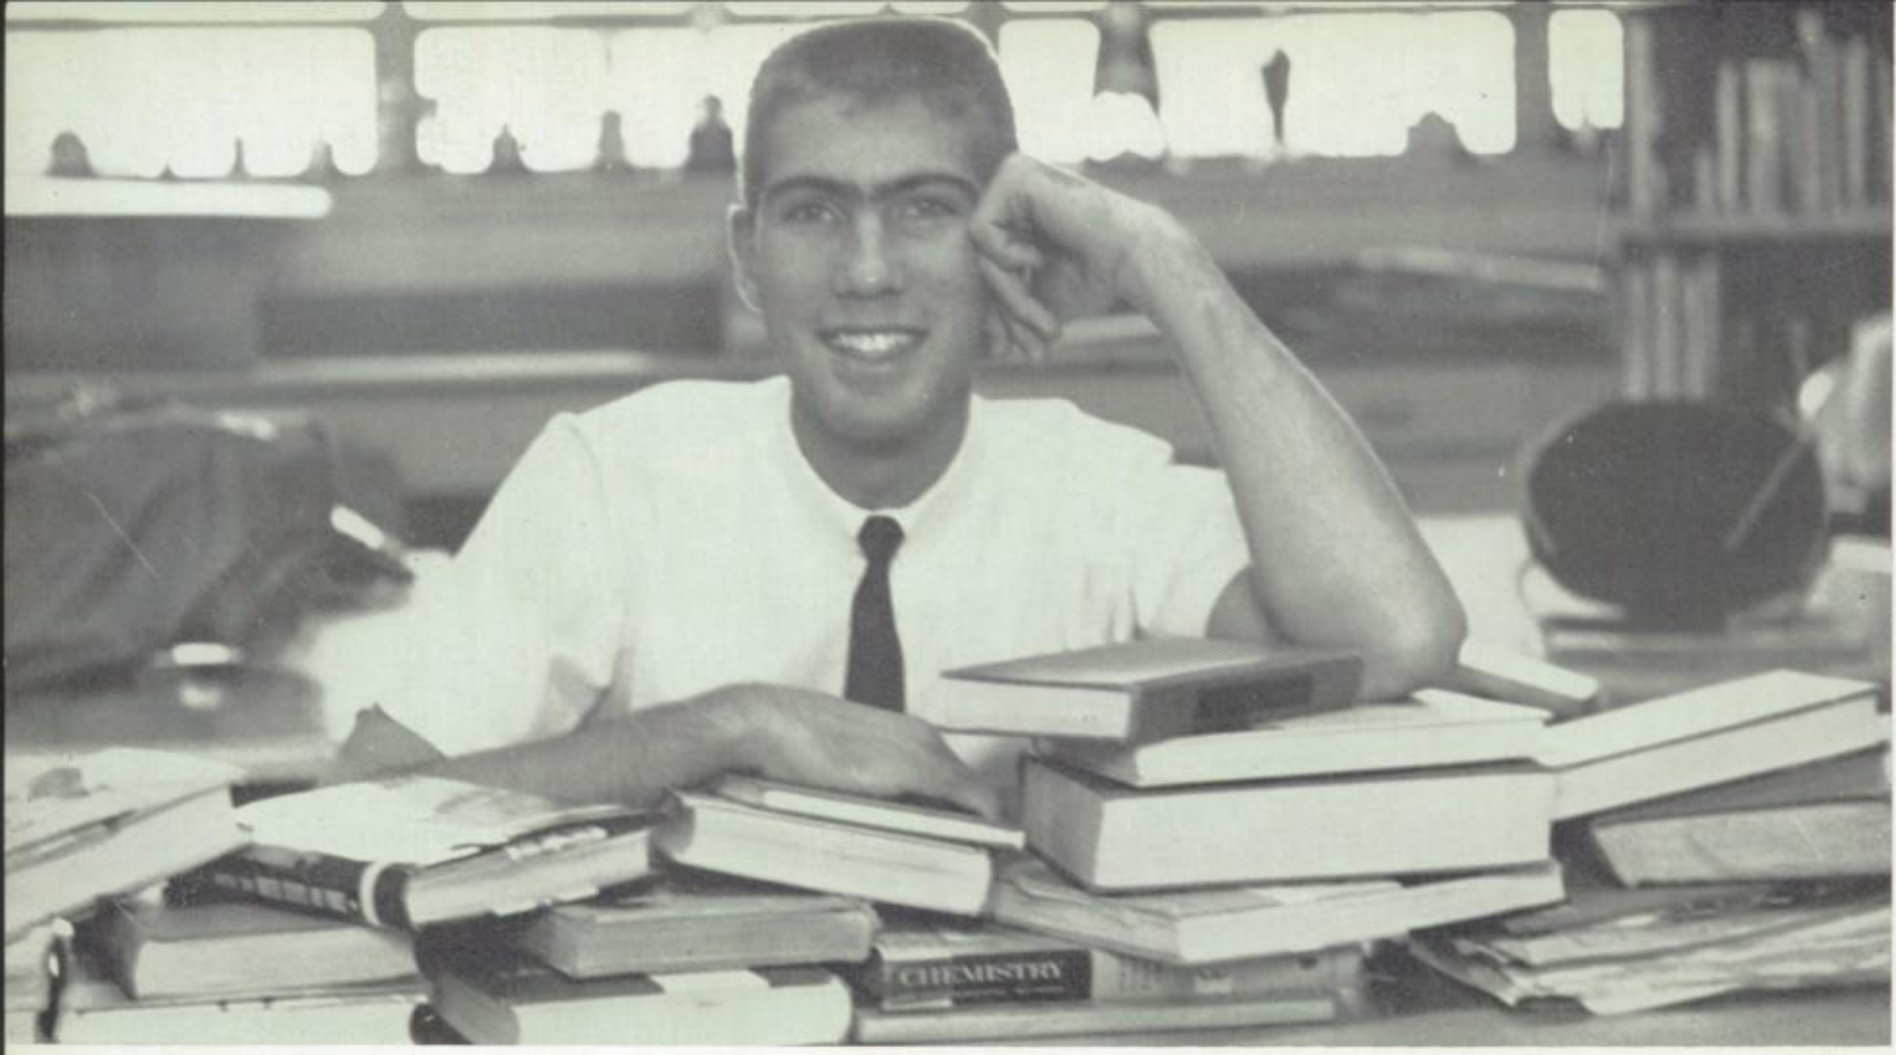
Work began long before the eager Panthers filied the halls of OHS for the 1963-1964 school session. Busy, newly elected ASB officers were hard at work planning the activities—weeks before school started. The Student Cabinet, under the direction of Mr. George Osborn and Mr. Len Surles, traveled to a leadership conference in August, where they learned about new trends and ideas in student government.

Orange High School's student government is set up with a system of checks and balances achieved through a many-faceted legislative program. Student Legislature is made up of representatives selected from each 3rd and 8th period class. The Senate includes all club executive officers. Student Court members are appointed, and the Student Cabinet consists of all elected ASB officers and class presidents. In this manner, every student has some opportunity to use his voice and ideas in student government rulings on campus.

Student Cabinet, along with the Associated Student Body, was led this year by careful and vigorous, Cary Hunter. Always ready with new ideas, Cary was very active in all phases of student life at Orange. His active participation and clever initiative enabled the Student Cabinet to lead the Panthers through an interesting and varied school year. Popular Cary was chosen "Mr. OHS" by his fellow seniors, and was given the Harvard Book for Scholarship in his junior year. Cary, who was president of his sophomore class, has always had an active hand in student government. Next year Cary will attend the United States Air Force Academy in Colorado Springs, Colorado, where he has received an appointment.



THIS YEAR the Panthers were led through a fun and work filled year by ASB President, Cary Hunter.



IT WAS A.S.B. vice-president, Hugh Powell's job to help lead the Student Council and Senate.

A.S.B. SECRETARY, Ann Young, was responsible for school government correspondence and keeping minutes at student body meetings.

Taking a glimpse at these three busy Panther leaders, one finds Hugh struggling over a problem of governmental structure for the Senate . . . while Ann is determining when she'll type the minutes of the last cabinet meeting . . . while Linda is counting her money . . . working together to help better OHS.

COUNTING MONEY wasn't the only job of Linda Mohler, A.S.B. treasurer. She also keeps close track of the financial books at O.H.S.

SOCIAL ACTIVITIES chairman, Kathy Sanders, was responsible for the dances and activities this year.

WITH IMAGINATIVE pep rally skits, Karen Zabel, commissioner of pep, increased spirit.

Leadership Personified

COMMISSIONERS OF BOYS and girls activities, Ed Tolliver and Nancy Hodge worked hard planning Boys' Forum and Girls' League assemblies. It was also their job to represent the girls and boys of the student body, and keep things running smoothly throughout the year.

Panther Officials

MEMBERS OF THE Senate are; row 1, Steve Cornecl, Sal Rodriguez, Nyal Leslie, Tom Martin, Bob Adams, Robert Hartwell, Judy Plane, Jan Burda: row 2, Mr. Surles, Hugh Powell, Myra Smith, Chris Viel, Sandy Skogland, Kathy Scanlon, Karen Bever, Janie Widdows, Mike Fody, Jean Miller, Terry Knaus.

MEMBERS OF THE Student Court are; row 1, Joey Colon, Kathy Hawkins, Carol Mixer, Robert Hartwell; row 2, Barry Hennings, Val Fadely, Helen Schade, Dennis Lee.

Edict, Elect and Edit...

Out of the high upper windows of the Faculty Dining Room, one may hear, on any Wednesday, strange sounds . . . sounds of Panther leadership in action. These sounds were . . . "We'll have to plan that Orientation Assembly adequately in order to provide all the information necessary" . . . "How can we stimulate sales in ASB stickers? . . . "Kathy and Karen, you'll be in charge of Homecoming" . . . "What band will be playing for the Coronation Ball?" . . . "How can we improve the campus litter problem?" . . . "The senior class wants to paint the ticket booth" . . . "I guess we can't have 'Joe and Eddie' because of their booking problems" . . . "Let's offer our assistance to the Villa Park High School steering committee" . . . "Neatness and spirit will be emphasized strongly at this year's Dutch-Irish" . . . "How are tickets going for the Prom?"

These sounds are the life-blood of student leadership. These duly elected leaders trod the many paths which cut across the spectrum of daily life at O.H.S. Their duties require initiative, resourcefulness, maturity, and a good sense of direction. They all have proven to possess these necessary attributes.

WITH THE HELP of his valuable assistant, Reggie Pearce, Ron Schade, commissioner of elections, saw to it that all the elections during the year ran smoothly.

KEEPING THE SCHOOL posted on the activities this year was the job of the commissioner of publications, Pat Rivard.

Girls'

MEMBERS OF GIRLS League cabinet are; Nancy Hodge (president), Robbie Bennett, Kathy Tavis, Sandy Olson, Kathie Ditchey, Chris Portigal, Janis Tillery, Loretta Breneman, Dale Reynolds, and Sandie Burbank.

Climbing high with great ideas to entertain and educate the girls of OHS, the Girls League planned and carried out many interesting and varied activities. Date-Dad started off the year on a gay note, as Panther girls lead their fathers to a delicious father-daughter banquet, at the Yorba Cafetorium. Girls and dads alike were served a delicious meal and then entertained by lively comedy skits, folk singing, and a preview of "Bye Bye Birdie". Some lucky fathers were invited to give their interpretation of the dance craze, the "Stomp".

Girls' League also planned several educational assemblies which were presented during the school day to OHS lasses. Girls were entertained by a pianist and were given a style show, where models wore clothes appropriate for school wear and for various social activities.

In April, the girls took their Moms to the "Hi Mom" banquet, where they were given another modeling session, this time with clothes donated by various local merchants.

The Girls' League Cabinet was headed by President Nancy Hodge. Vice president was Robbie Bennett. Miss Grace Robertson sponsored the association, which is made up of all the girls in the student body. At the end of the year the League gave four $100 scholarships to worthy senior girls. Every month a presentation of "Girl of the Month" pins was made to one girl from each of the three classes.

THE SPONSOR of Girls League Cabinet this year, as she has been for many years, Grace Robertson made sure that all of its duties were fulfilled.

League Works to Better OHS

EVERYONE HAD a grand time at "Just Daddy and Me", this year's Date Dad banquet. Paula Jones and Janis Barnett taught their dads the "stomp".

ONE OF THE favorite assemblies put on by Girls' League this year was the fashion show. Orange High girls modeled clothing for school, dances, and sportswear.

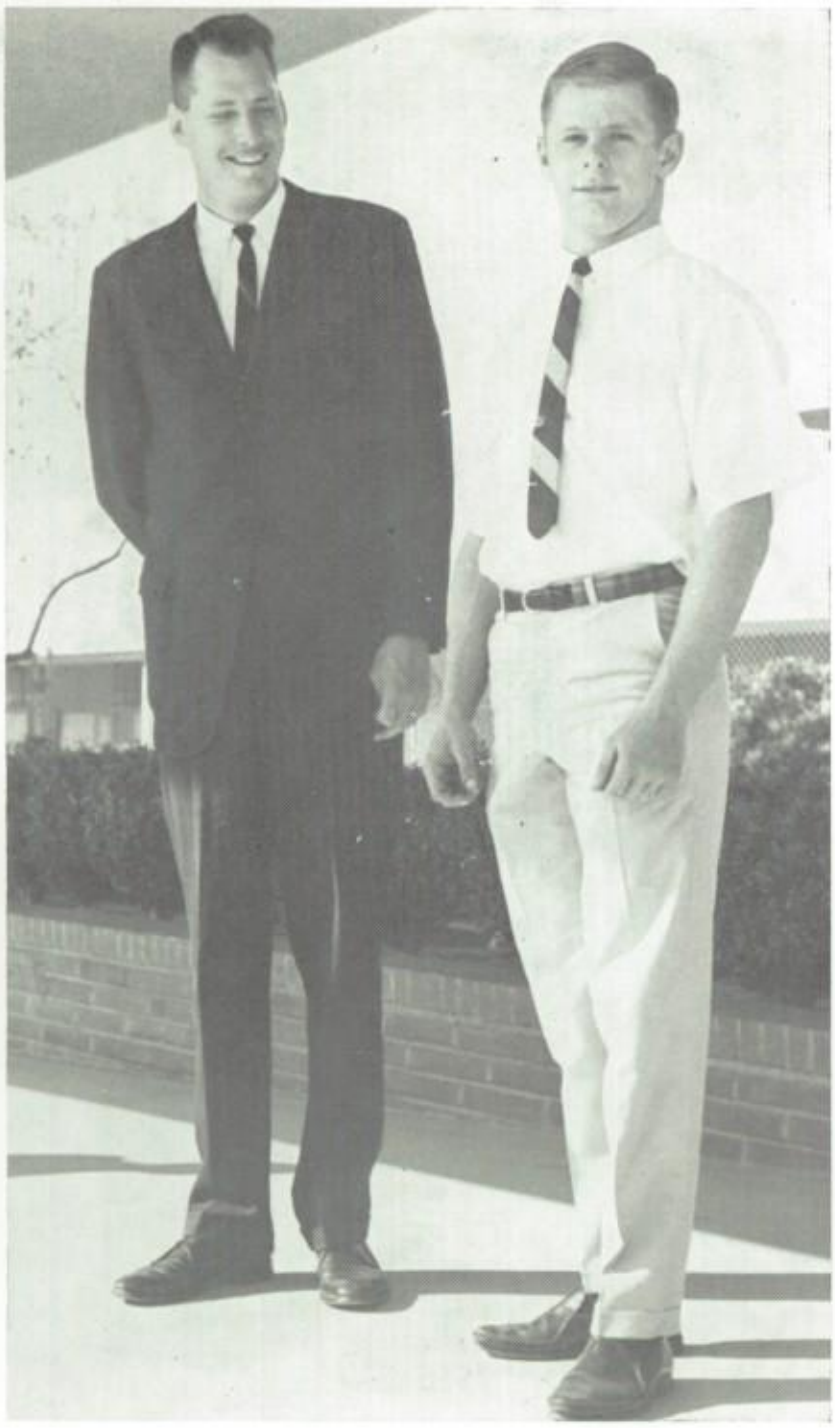
Karati and Quick Draw

MUSCULAR ATHLETE shows form of a Karati fighter to Boys Forum.

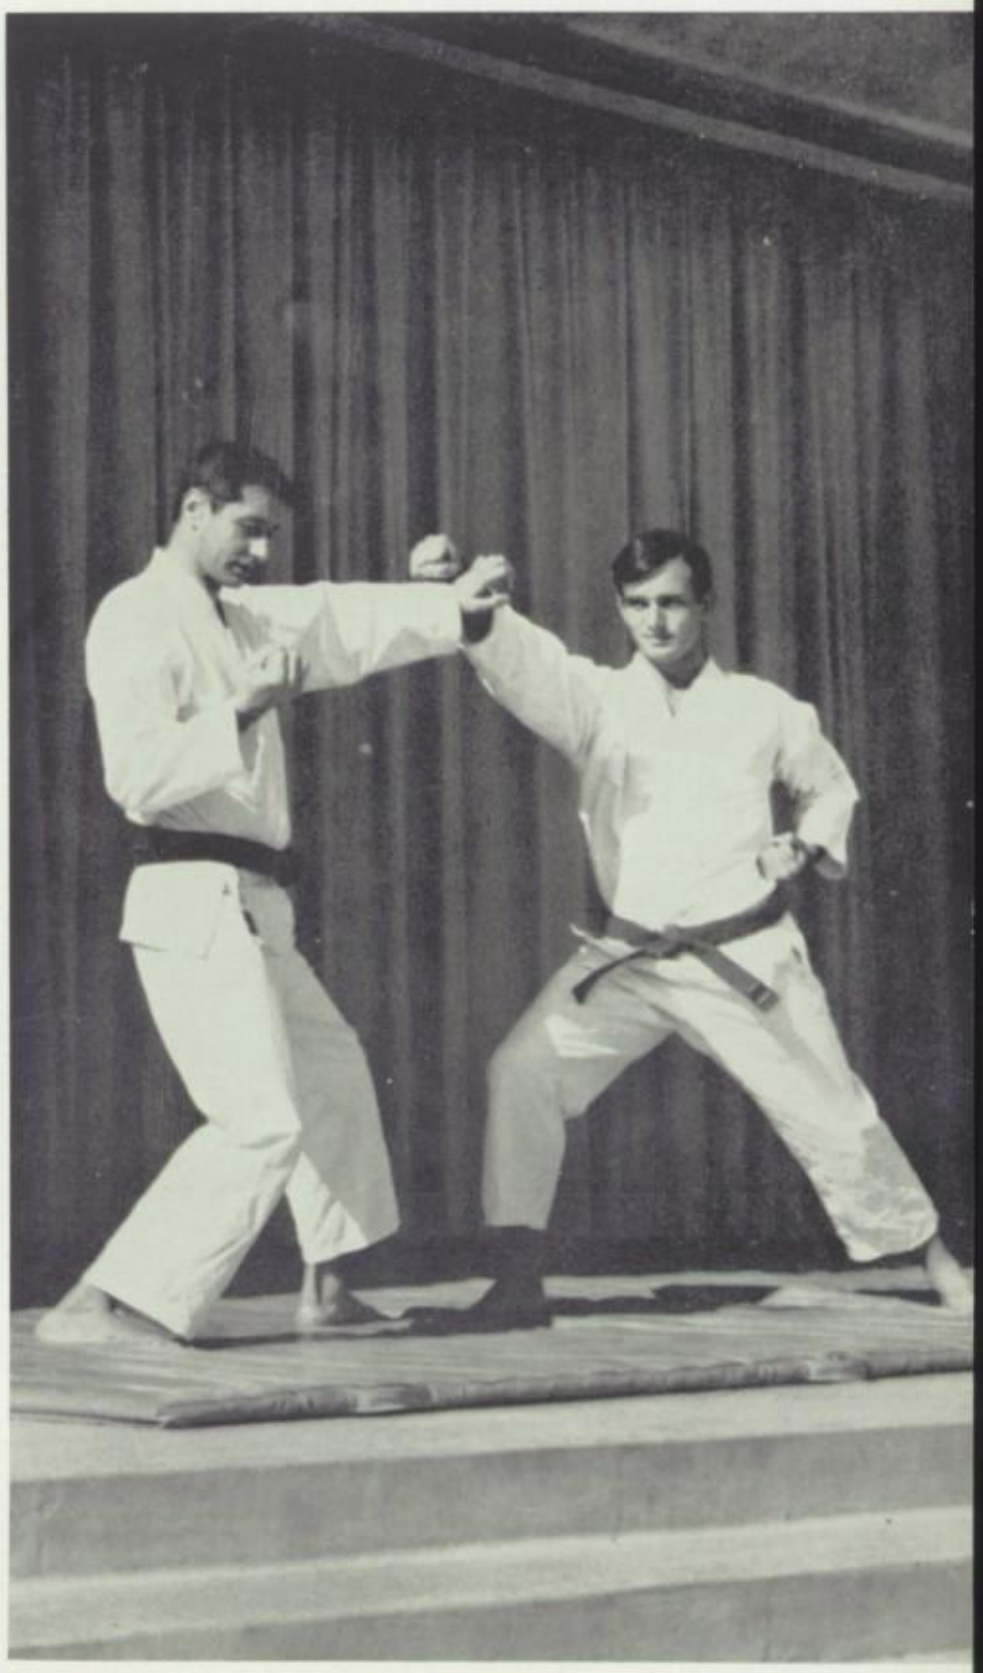
KEN SHEETS, Boys Forum advisor, and President, Ed Tolliver stop for a minute from their discussion.



BOYS' FORUM Cabinet members: Dennis Terbush; Vice President, Dick Gray, Ed Tolliver; President, Jerry Welch.

Highlighted Panther Forum Year

Panther men observed the techniques of defending themselves through the efforts of a Boy's Forum Assembly. As the Panthers watched, there was a quick movement of a man's arm as he drew his six shooter and fired; a quick draw artist showed the skill of his hobby. Jumping from the Old West to the older Far East, Karati was presented by a group of four athletes.



KARATI ATHLETES show correct stance and position to the Boys' Forum.

REFLECTOR Keeps

CO-EDITOR, LYNN Kinder was kept busy arranging page layouts and organizing Reflector stories and editorials.

CO-EDITOR, CANDY Sattezahn, used her "nose-for-news" to dig up unusual feature articles and pressing school issues to editorialize. Here she types up a front page story.

REFLECTOR II students laugh it up as they survey the results of the first year class's 'Paper stacking'. Staff members are: Tom Taulbee, Sports Editor; Cherry Pat Slattery; Linda Selby, Feature Editor; Jeff Taylor, Sports Editor; and Gene Segrist, Business Manager.

What? Where? When? Who? How? and Wow! First year journalism students learn the basic ideas behind a newspaper. They learned to write sports, feature, and news stories which were used in the Reflector.

Second year students arrange stories, layout pages, correct copy, and write headlines. The Reflector staff, lead by Tri-Editors Lynn Kinder, Candy Sattezahn and Cherry Pat Slattery, put out bi-monthly papers all year, covering important school news, and with lively stories featuring interesting students and faculty members. They also published special issues for Homecoming, Dutch Irish, and ASB election week.

Spice was added to the award winning paper in the form of cartoons by witty and talented, Skip Oakes.

BETTY REUSCH and Bruce Cummings, Orange and White photographers.

Working on an annual staff is an experience which everyone who wants to live a full and complete life should not miss. It is an experience which has no equal.

Making an annual consists of scheduling pictures, taking pictures, developing pictures, cropping pictures, having pictures enlarged, sending enlargements to the engraver, pasting up three 'dummies', writing copy, writing cutlines, counting letters, composing headlines, proof-reading copy, finding out names to go with pictures, running down to talk to the printer, running down to talk to Mr. Townsend, selling ads, counting money, filling-out receipts, and making glueballs. Necessary parts of the staff room are arguing, fighting, griping, laughing, messing-around and quite a bit of hard work.

The 1964 ORANGE AND WHITE staff was no exception to these rules. Lead by cheerful advisor, George Osborn, the "frantic sixteen" staff members also managed, somehow, to sell annuals, hand out senior picture proofs, count senior superlative votes, alphabetize senior information sheets, use eight or ten cans of glue and lose over a dozen rulers. The result of all this mayhem is the 1964 ORANGE AND WHITE.

Leading the mighty roar of the 1964 Panthers, the able OHS Yell Leaders in their orange, black, and white plaid uniforms, provided both spirit and enthusiasm for the highly competitive sports season this year. Their activities not only included spirited leadership at games, but also important planning of pep activities throughout the school week for OHS students. Their imaginative routines and shining faces added color to the athletic season from the opening of the first football game to the last CIF basketball game with Pius X. They were always there to help spur the Panthers on to victory.

KARATI EXPERTS demonstrate for the Boys Forum Assembly.

ASB, Girls League, and Boys Forum organizations planned and presented a number of assemblies for the education and entertainment of OHS students this year. Many speakers, musicians, athletes, and students provided the programs for these assemblies.

Stan Sweet brought the "Old West" into Hod Chambers Gym while the fashion designers from Buffums' Dept. Store had OHS girls model the latest things for smart young Panthers. A National Schools Assembly representative shared with the students his life experiences dating from the time of his youth in Hitler's Germany to his modern educator's role of today.

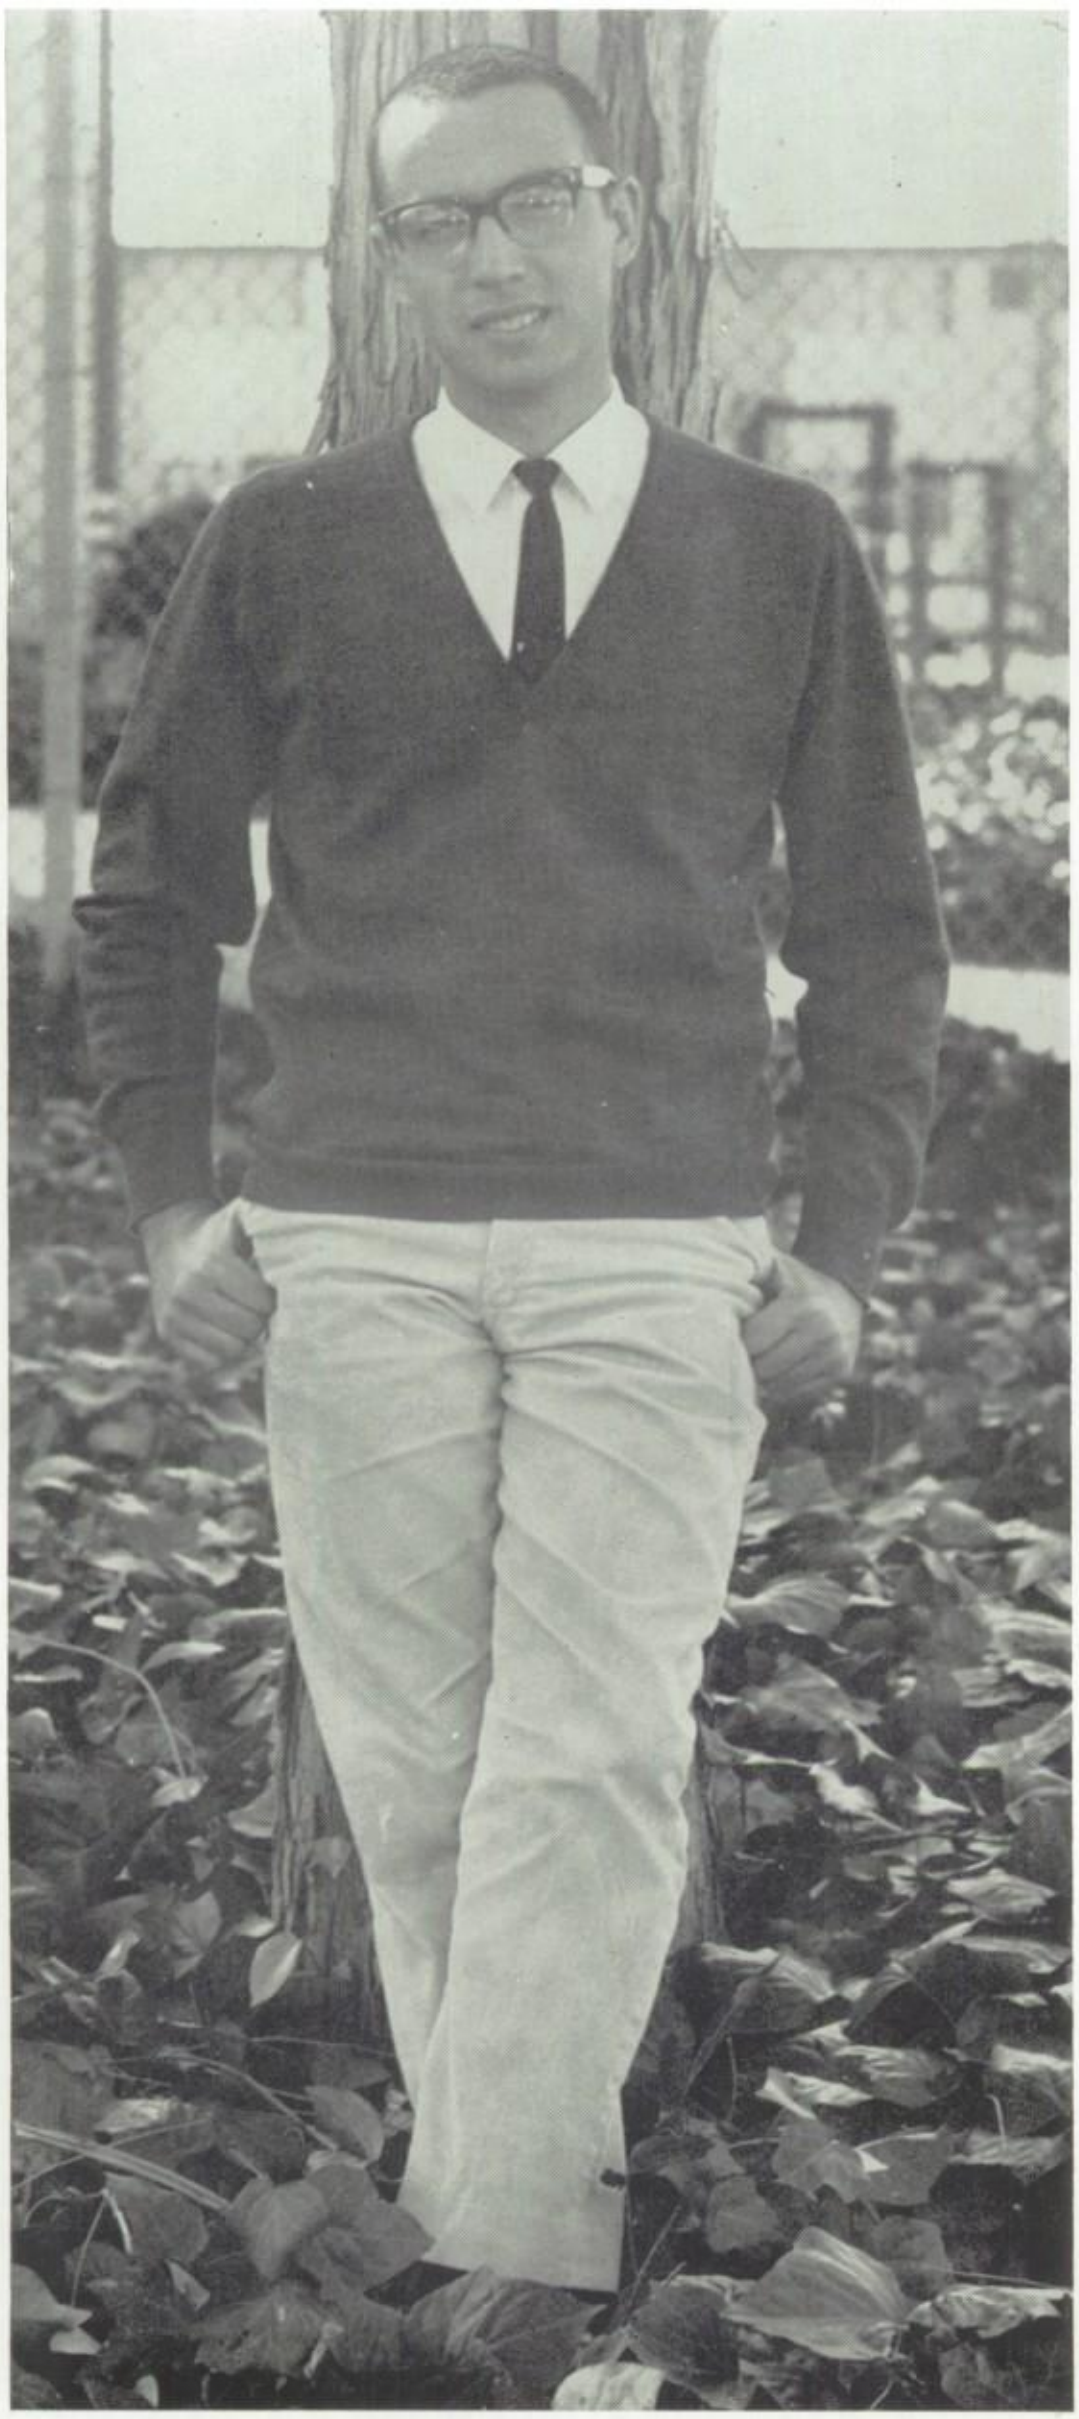
And Squeeze the Spirit Out

School spirit was raised to an all-time high this year through the efforts of the song-leaders, cheerleaders, pep club, and pep band. By working together they produced some of the most original and imaginative pep rallies this school has seen for a long time. The whole school reflected the eagerness of these students. Throughout the entire school were found evidences of the work of the pep club, as no place escaped the artistic decorators of this, most active of clubs. Wonderful sounds flowed throughout the hallowed halls of Orange High as the pep band saw to it that music played an integral part in the building of our school spirit.

THIS YEAR every pep rally and game was made more enjoyable and spirited through the work and rhythm of the pep band directed by Mr. Andreson.

ENTHUSIASTIC MEMBERS of the Pep Club take time out from their difficult job of building Panther spirit.

ELBIO RESTS during one of his days at OHS.



ELBIO DEGRACIA, A.F.S. student from Argentina, brought lots of Latin charm to OHS.

Elbio Raul DeGracia, the American Field Service's gift to Orange from the young people of South America, has filled this year with his wonderful Latin wit and clever charm. Wherever he goes on campus, Elbio is welcomed for his naturally courteous and friendly manner.

Hailing from Concordia, Argentina, eighteen year old senior, Elbio, entertained the entire student body while educating them with the customs and traditions of his homeland. Elbio taught several Orange students one of the popular folk dances of Argentina and with these students performed at the AFS banquet, assemblies and at a Spanish Club dinner.

Always a favorite at dances and parties, Elbio became known for his fabulous dancing ability and his interesting and intelligent ideas. Elbio was also very active in the Literary Club.

Craig Miller and his parents have been Elbio's American family for his stay in Orange. In this way the AFS hopes to create a closer tie between the American people and the AFS student.

Speaking in his soft, pleasant voice with a touch of a Spanish accent, Elbio was never afraid to state his own opinions on any subject. His stay has taught each of us at Orange the important lesson; that people the world around like and dislike basically the same things, and have the same hopes, desires and plans for the future peace of mankind.

'Latin Lover' Enlivens OHS

AMERICAN FIELD Service Planning Committee organized many fund raising activities in order to earn enough money to send and receive AFS students next year. Members of the committee are: Pat Rivard, Joe Colon, Karen Bever, Cathy Tavis, Elbio DeGracia, and Laurie Nichols. California Scholarship

Federation

During the year the "campus scholars," members of California Scholarship Federation, actually do very little. Meetings are few since most real club business comes at the end of the year.

To become a member of CSF a student must be taking a minimum of five subjects, three of which must be solids, maintain three A's and one B (not counting P.E.), and receive no grade lower than a C. Membership is renewed each semester and members are presented with CSF privilege cards which allow them to leave class five minutes early.

On the Saturday before Easter Vacation the club took a field trip. One day each year CSF members have an Honor Day. This year it was held at UCLA. On this day the club is allowed to skip classes and leave school for their trip.

At the end of the year a banquet is given for senior students who have attained Life Honor in CSF. Life Honor members are those who have made CSF four out of the six semesters, one semester being in the senior year. At the banquet awards are presented to various members. Life Honor members are also honored at graduation.

ADVISORS, MRS. Durbin, and Mr. Nelson, discuss plans with CSF President, Val Fadely.

MEMBERS OF THE GERMAN club are; row 1, Cynthia Willeford, Fred Celeste, and Tom Moeller. row 2, Paul Arriola, Evelyn Zajac, Betty Reusch, Dave Cooksey, Gregory Freeman. row 3, Mr. Weber (sponsor), Terry Knaus, Presirent, Peter Danner, Leroy Einsphar.

By providing educational and entertaining activities, the language clubs encourage interest in the foreign languages and promote understanding and appreciation of foreign culture. Each language club sponsors its own banqeet during the year, which is open to members of the club and to the entire student body. Cuisine of the foreign country is usually served and often entertainment representative of the country is provided. Membership in these clubs is open to all students with a desire to learn and a background in the particular language.

MEMBERS OF THE FRENCH club are: Kathy Woodruff, Kathy Thomas, Paulette O'Connor, Sue Fraser, Peggy Salling, Miss Dimmick (sponsor), Val Fadely, Susie Copeland, Linda Klatzker, Kathy Ditchey, Robyn Parmelee, Janis Middleton, Lea Ann Little, Bob Doss, Linda Mee, Lynn Dicksan, Kathy Watt, Shirley White, Barbara Johnson, Dean Hartley, Steve Cornecl, President.

Science, Business and a Lotta' Drive

By promoting interest and knowledge in different fields, career clubs help to give their members a firsthand account of the profession in which the student has an interest. The clubs explore the opportunities and requirements of the respective fields and aid their members in deciding which profession they wish to follow. Each of the clubs sponsors numerous field trips for its members throughout the year and calls on speakers to address the club during the regular meetings.

Banking and Finance Club held meetings at the Union Bank building. The club educated members in the meaning and ideas behind business. "Nightingales" or Future Nurses club, met for the purpose of learning more about nursing and other related medical professions. Radio club was attended by boys interested in radio communications and electronics. Auto club members worked on motors and repaired cars in preparation for careers in the field of mechanics. Science club members explored the different phases of the biological and physical sciences. The club made money by selling coffee and donuts at the home football games. They took field trips to laboratories and chemical plants.

MEMBERS OF BANKING and Finance club are; Robert Hartwell, Jerry Welch, Val Fadely, Louis Rohrs, Roger Rohrs, Brad Becker, Kurt Kelsch, Steve Cornecl, Chip Dever, and Dennis Lee.

The purpose of the Art club is to provide an opportunity for students to further their knowledge of the fine arts and to help identify and develop the interest of O.H.S. students in art. Members of the Library club learn to work efficiently, with a sense of enjoyment, in a library situation. They meet regularly to discuss new techniques and methods in library science. FFA, Future Farmers of America, is an affiliate of the national organization. These boys engage in argricultural activities and projects and compete against other schools in these areas. Girls interested in new ideas for the home and its practical arts, participate in The Future Homemakers of America Club.

Everyday, somewhere on campus, one is bound to find one of these clubs active. They not only offer a chance for students to learn more about certain subjects, but also offer opportunities to meet with friends and schoolmates in useful activities. Literary club, or Poetry club, frolicked gaily on December 16th, at their annual Beethoven's Birthday party. The club sponsored publishing of the SYLLABUS, a magazine of literary and artistic work. Future Teachers offered opportunities for members to 'student teach' in elementary schools. Chess club met almost every day during lunch and practiced for tournaments. The Lettermen were active all year long, and sponsored a steakbake for coaches and members, in the spring.

OHS PLAY-GOERS clamor for tickets as "Annie Get Your Gun" gets underway.

"BYE BYE BIRDIE" was a sensational hit with O.H'.S. play-goers.

OHS musical groups put on many varied performances, and two very fine hit musical productions, this year. Under the direction of Mr. Ellery Slick, the concert choir and the Top Teens first produced the new Broadway hit "Bye Bye Birdie". 'Birdie", a take off on Elvis Presley's exit to the Army, is about a new singing idol, Conrad Birdie, and his crafty manager's tireless efforts to perform just one more publicity stunt before Birdie leaves for the service. The humorous results lead a Sweet Apple, Ohio teenager and her family to a once-in-a-lifetime appearance on the "Ed Sullivan" television show.

"Annie Get Your Gun" was the other musical produced this year. The story takes place in an Old West side show where sharp shooter, Annie, tries to hook her man. She finds that the fastest way to a man's heart is not to show him up.

Eddie's Father

Lights! Curtain! It's finally here—opening night! After weeks and weeks of all-night rehearsals, months of preparation, and an afternoon of butterfly-filled stomachs, the senior class play arrives at last. Back stage, skilled stage hands scurry around, apply last minute make-up jobs, rearrange props, work lights and sound, and pull curtains. Nervous actors practice lines, drink orange juice, wait for an encouraging comment from director, Robert Edwards, and listen frantically to the Orange-Anaheim CIF Basketball game on the radio.

"Courtship" is the story of a motherless little boy's plot to find a wife for his father. The comedy starred Dennis Terbush as Eddie, Bob Doss as his father, and Mary McGraw as Elizabeth, the girl he finally marries. Other cast members were Pam McCormack, Candy Sattezahn, Robyn Hobusch, Sue Fraser, Mary Lou Stiff, Mike Burgess, Ray Martinez, John Hughes, Rhodell Minks, Gloria Gonzales, Lynn Pudlich, Pam Victorine, Robert Hartwell and Terry Knaus.

BACKSTAGE IS a busy place before and during the show. Gloria Gonzales applies her make-up while Pam Victorine adds a few final 'wrinkles' to Sue Fraser's character part.

OHS dances hit a new high this year in attendance. At the opening dance of the year 1300 Panthers crowded the quad area to listen and dance to the music of the Chantay's. At the final dance, the Jr-Sr Prom, all students had a good time. This year OHS Panthers had an average of two dances per month throughout the school year, most of which were tremendously received.

"What a bunch of kooks", "My gosh, look at that!", "Oh! where did you get that outfit?" These along with the screams, cries and general bubbling over of spirit could be heard all the way to the Irish Coast and the Dutch wind mills as the OHS fun lovers sounded out the sentiment for the traditional Dutch-Irish Day and Game. This year was highlighted with an Irish win which accented the jolly green smiles and the close competition. Other tradition was broken as milk cartons stopped flying and as "Ring Around The Rosy" and Hop Scotch dominated the day of fun and relaxation. Teachers pulled their hair out as students paraded frocks, smocks and red thing-a-ma-bobs. With this exception, the day was just as usual as the others at Orange.

Vincent Deveney Coaches The Invincible

IT WAS a grim night for the Panthers as they gathered around coach Vince Deveney after losing to Santa Ana Valley 19-0.

Commonly called "Spanky and the kids", head football coach Vincent Deveney and his coaching staff, pulled, pushed, and grunted the Panthers to their best season in four years. A graduate of Anaheim High and Whittier College, Deveney is the youngest head coach in Orange County. With 17 lettermen returning next year the Panthers will be in contention for the Freeway League Championship. Orange won the championship in 1958.

The Panthers won their opening game, for the first time in three years, defeating Tustin on the Tiller field. The Orangemen shattered Tustin with two interceptions and 13 points in the first half. The second half was climaxed with a strong Orange drive to score again, ending in a 20-0 OHS victory.

On home ground the Panthers were out-played by the Brea Olinda Wildcats. Deveney's gridders fought like true Panthers but the "AA" champs rolled over the weak inexperienced O.H.S. line. The Panthers led by one touchdown at halftime, but two touchdown drives by the Wildcats in the second half proved too much for the Panthers.

The Orangemen returned the favor of last years defeat to Oceanside as they sunk the Pirates with a 19-0 defeat. The Sunny Hills Lancers were met with the full mental and physical onslaught of the Panthers patent "I" formation, which accounted for two touchdowns. The tough Orange defense held the visitors score to a goose-egg.

Deveney proved to be a dynamic young coach with insight and energy.

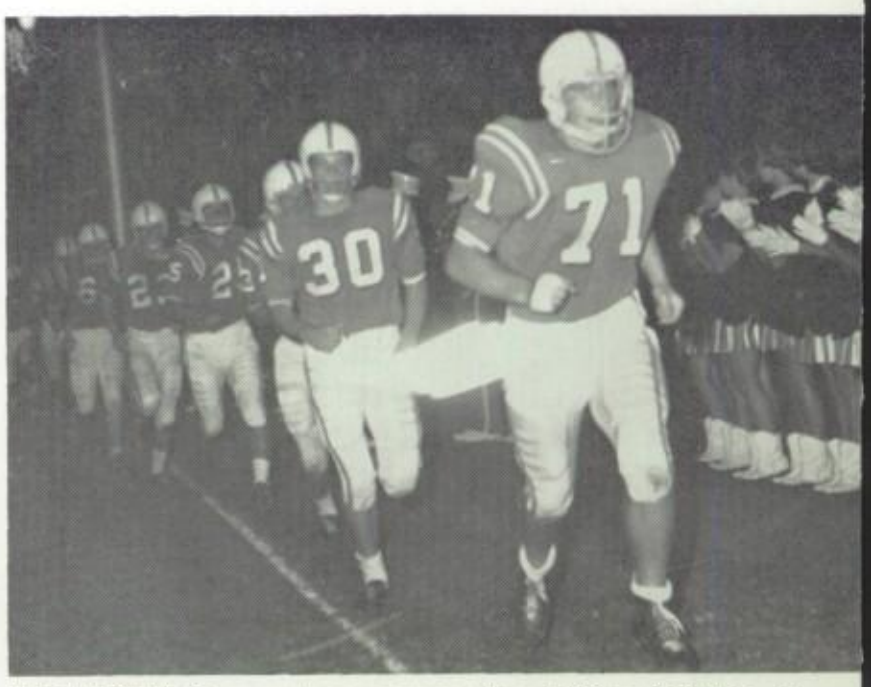
ASSISTANT OFFENSIVE Coach Hickock and Head Football Coach Deveney ponder the next play.



THE MIGHTY Orange team appears after halftime festivities at the homecoming game with Bolsa.

Panthers on the Gridiron

Tension filled the air, as the teams and coaches were in audible agony. Tustin stomped onto the field and Orange dug in. The Tillers were left extremely disillusioned, while the Panther fans were jubliant, to say the least.

The tight Freeway League competition set in as Orange witnessed its second defeat at the claws of the Santa Ana Valley Falcons. With speed and weight lacking, the Panthers came back to put the game on ice during the first half. The Falcons returned in the second half, and by sheer speed, overwhelmed the Orangemen 19-0.

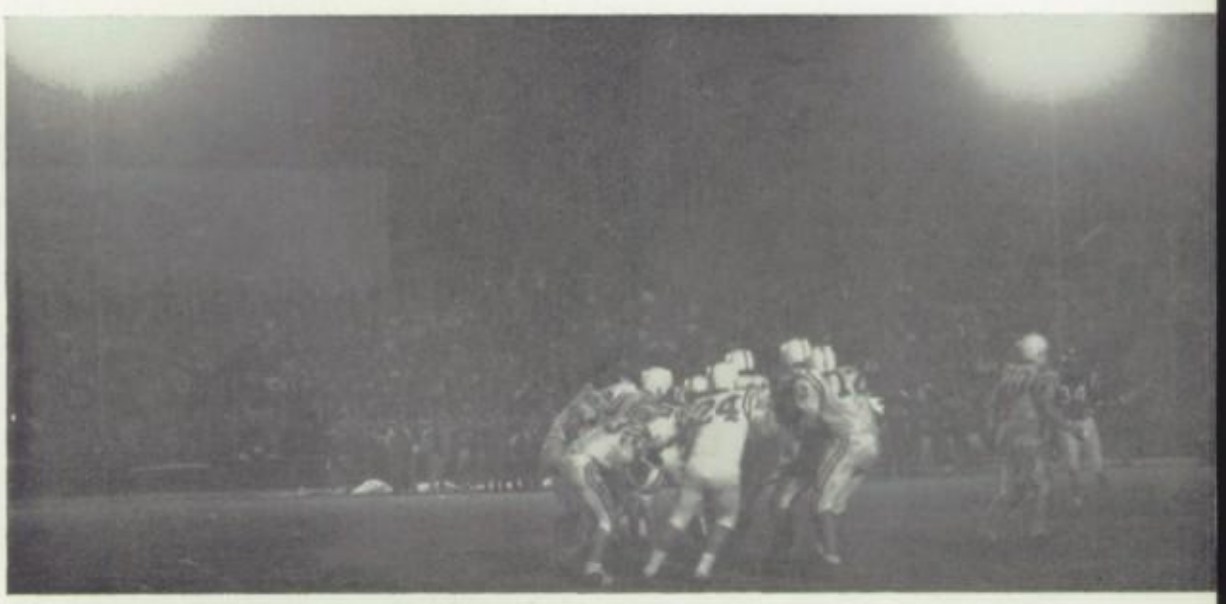
Overpowered, the Panthers held little hope against Buena Park with their extreme speed. The first half proved that the Coyotes were not invincible as half time saw the Panthers winning by a margin of 13-0. Orange prepared for a rough second half, and received it. Five of the starting 11 were lost by injuries as coaches Deveney, Carter, Brashears, Issacson, and Hickock watched the third quarter and the winning edge pass away. Orange did not recover, and lost 19-13.

The following Friday night, the Orange footballers fell under the crushing weight of the Garden Grove Argos. The line average of 240 paired with the plague of Panther injuries iced the Freeway League champs to victory with a 20-0 score.

The two evenly matched cellar teams faced the moment of truth with fourth place standing as the prize. The Oilers gained control of the ball as the Orange defense played its heart out. Every now and then, the OHS offense would come in and try, but the game became a contest between the Oiler offense and the Panther defense. Neither team proved itself the better as the 48 minutes of football showed both scoreless.

THE GREAT Orange defensive team completely anihilated this Garden Grove Ball-carrier; leading the chase is number 22, Walt Marcantel. Tackler is Dennis Dixon, 51.

ALL LEAGUE End, Dick Gray, 81, snags a bullet pass from quarterback Tom Gunther and then outruns a Valley pursuer for long yardage, Valley won; 19-0.



A SPIRITED Panther offense huddles, under the lights, for a split second more before testing the tough Garden Grove defense.

The Best of The League...

FLEET BREA back is stopped cold in his tracks by a determined Orange foursome of Steve Rodriguez 41, Larry Lee 52, Doug Ehlen 61, and an unidentified Panther.

ALL LEAGUE football players from Orange include Mac Moncrief, Dick Dillehay, Walt Marcantel, Dick Gray, and Tom Gunther.

In its two years of indoctrination, Orange's "I" formation has shown its superiority. This season ended with a 4-4-1 record, and a tie for fourth place to show promise of a CIF team in the making.

HARD CHARGING Walt Marcantel, 22, fights for extra yardage as he meets a Lancer defender head on; showing championship form at the game with Sunny Hills.

Walt Hamer began coaching at Orange in 1958. A graduate of Oregon College, Hamer coached at Hillsboro High for two years before coming to Orange High School. Always strong contenders for Freeway League honors, Hamer's Panthers, in five seasons, have entered in CIF play four times, won a total of 101 basketball games, and two championships.

With seven returning lettermen, the Orangemen were a sure pick to repeat as Freeway League champs in 1964. Utilizing the fast break type of offense and a pressing defense, the Panthers were a high scoring team that was undefeated in league play. With four All-Leaguers, Nyal Leslie, Dave Scott, Ray Ubert, and Jim Farley, leading the attack, the Panthers gave every Orange student something to be proud of when they won 17 consecutive games. Although rated as the second best team in Orange County, the Orangemen advanced further in CIF play than was thought possible. Lacking height, the Panthers depended on their quick-scoring fast break to overcome their taller opponents.

ORANGEMEN RECEIVE final instructions from Coach Hamer as they begin the last quarter of pla with Bolsa Grande. The Panthers won their last league game 85-62.

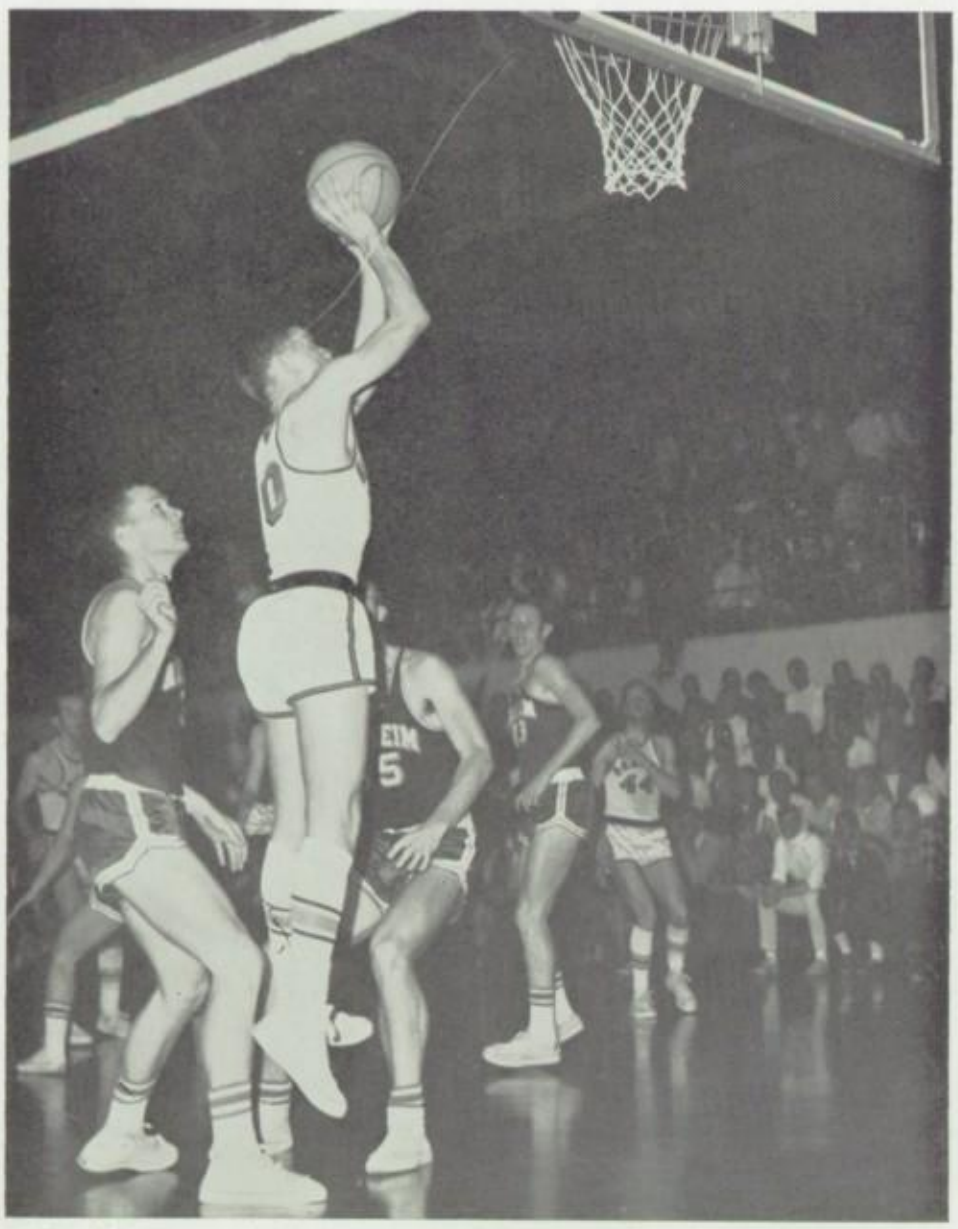
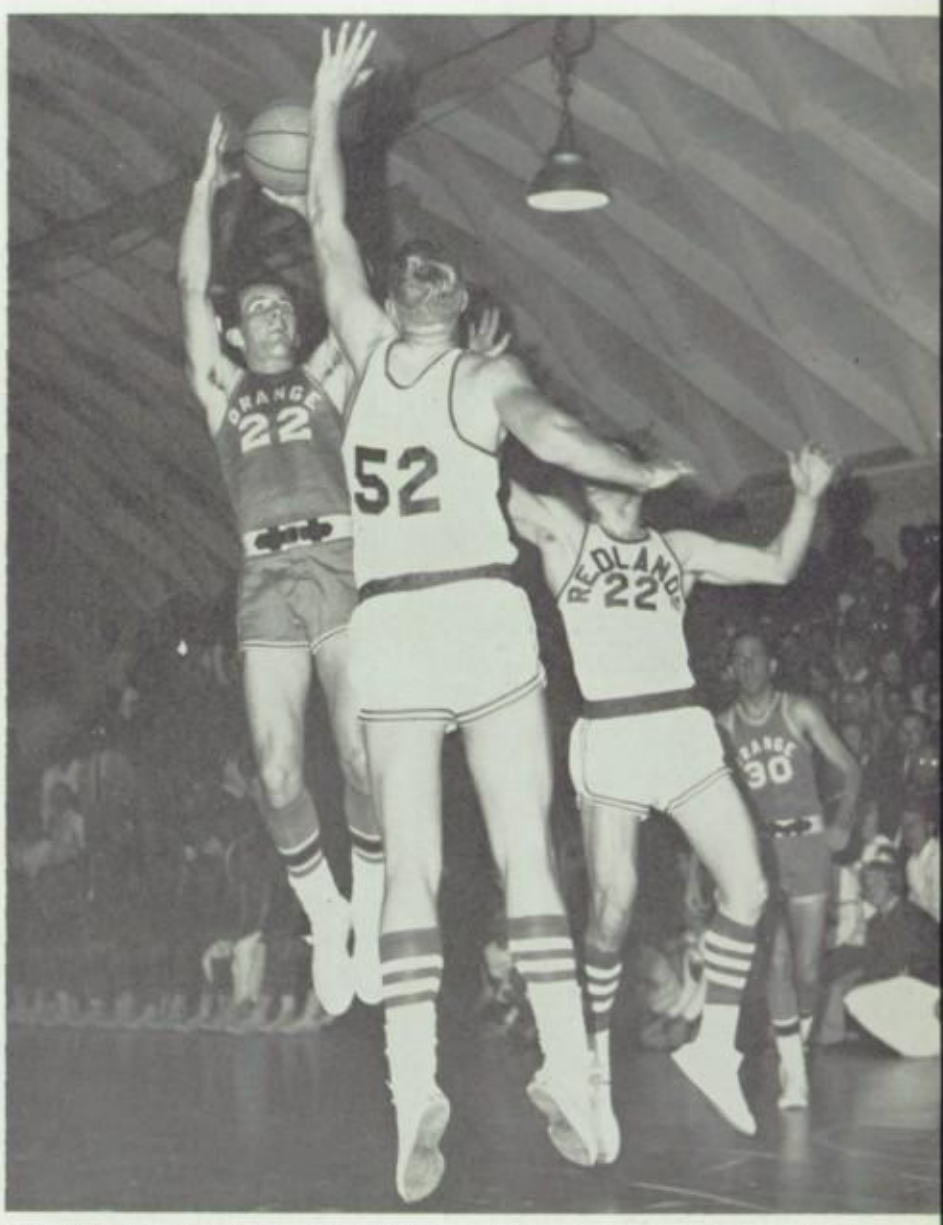
Nip Redlands and Anaheim

THE JUBILANT Panthers rejoice again upon winning seventeen games in row.

After defeating tenth ranked Redlands 61-54 in a come-from-behind effort, the Orangemen met upset-minded Anaheim on the Colonist court for the second round of the C.I.F. playoffs. In the first quarter of play, Orange quickly rolled up a 16-6 lead. As the game progressed, Anaheim's ball control tactics slowed down the speedy Panthers, and the Colonists led at half-time 32-29. In the second half of play, the great multitude of Orange supporters began to get worried as Anaheim maintained a five point lead going into the fourth period. The Panthers seemed to be confused by Anaheim's "slow down" tactics. Then the jungle cats came to life. A nine point scoring spree by Nyal Leslie helped give the Panthers a 52-44 lead with 2 1/2 minutes left to play in the ball game. Panther fans were on the edge of their seats when the Colonists narrowed the lead by 5 points in the closing seconds of play. When the buzzer sounded to end the game, the vivacious Panthers had eeked out a narrow 52-49 victory.

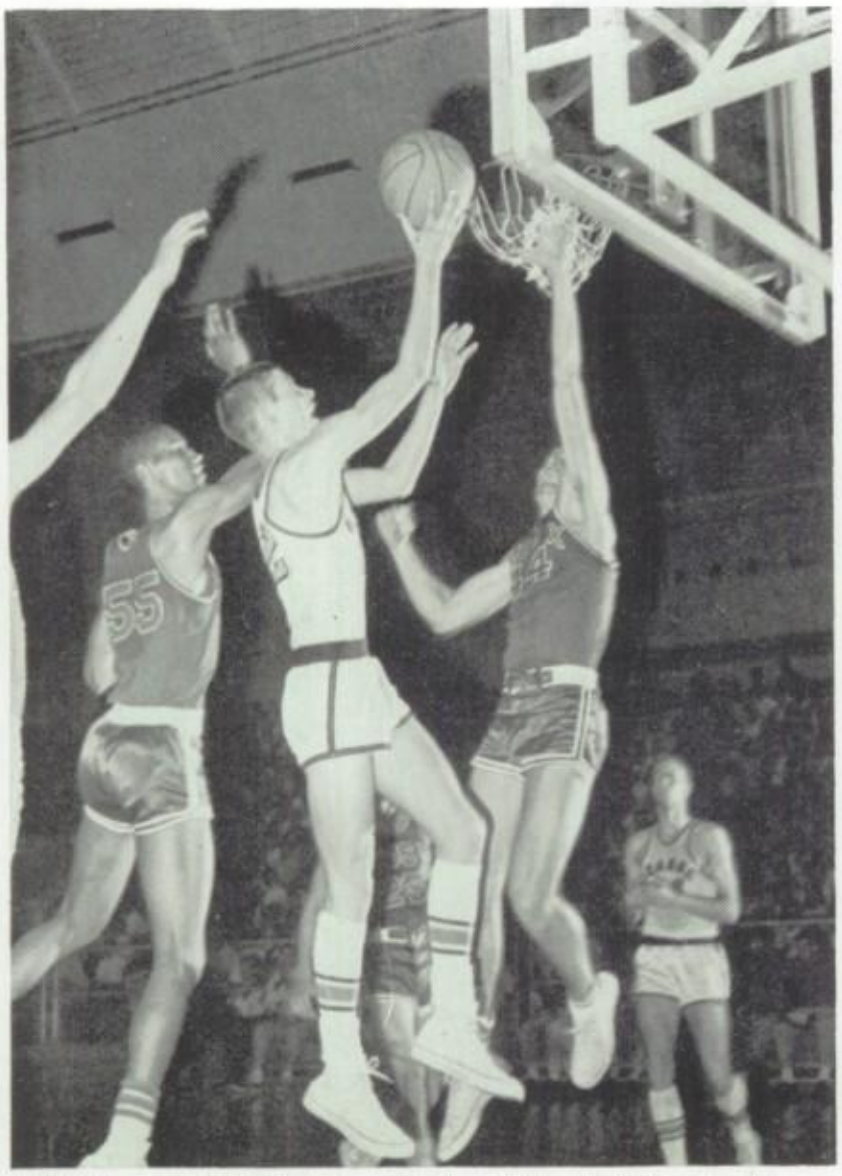


DAVE SCOTT goes high to get two points the hard way in play from under the basket.



NYAL LESLIE unloads his patented jump shot over the barrier of Redlands defenders, in C.I.F. opener.

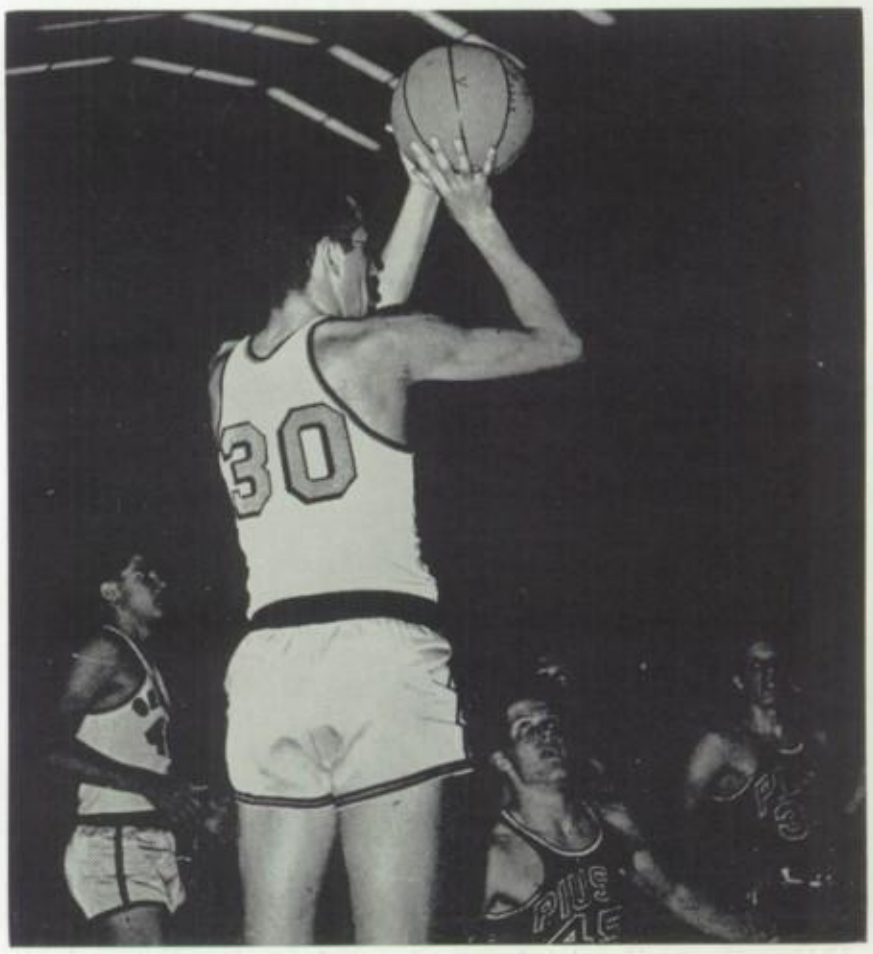
Mighty Panthers Downed by Pius X...



HUSTLING GUARD Tim Owens fights off Pius X defense in the last seconds of play, to make a basket.

ALL C.I.F. Guard Nyal Leslie eludes a Pius defense to score.

With two C.I.F. victories under their belts and 17 straight wins, the Panthers had their eyes on another C.I.F. trophy to match the one earned by Coach Frantz and his championship squad of 1958. By defeating the Anaheim Colonists, the Panthers advanced to meet second ranked Pius X of Downey in the C.I.F. quarter finals, at Cerritos College. In the first period of play, the Pius X Warriors, under the leadership of All-American center Dave La Cour, led 14 to 6. With 6:30 left in the second period, Leslie and Ubert retaliated to give the Panthers a slim 20-18 lead. As the half drew to a close, a see-saw battle developed between the Panthers and the Warriors. At half-time, Orange emergd as the victor with a one point lead. Nyal Leslie accounted for 21 of the 34 points in a tremendous first half effort. Early in the third period of play, the Orange cause was hampered when Dave Scott fouled out of the game. As the third period progressed, Pius X began to storm ahead of the Panthers. With only 2 minutes remaining, the Warriors led by 15 points. But the Champions of the Freeway League refused to give up, and before time ran out, the Panthers narrowed the lead to eight points. The score at the end of play was 75-67. Nyal Leslie was high scorer of the game with 33 points.



WITH NO opposition, Rick Price comes through with two more points.

Thin-Clads Win Championship

Cross country is gaining well-deserved recognition at Orange High. Coached by Ellery Slick, the Panthers harriers fought an uphill battle to become the league champs. With two losses, one to Buena Park and one to Garden Grove, the Panther leather lungers went into the league finals as underdogs. By placing three men into the top ten; Ron Schade, Cary Hunter, and Mike Manell, the Orangemen took the trophy right out of hands of the Garden Grove Argonauts.

With three second place finishes and one championship earned in six years of Freeway League competition, the Panthers have a record to be proud of.

In 1963, Coach Landon Carter's trackmen made a strong bid for the Championship but were edged out by the Santa Ana Valley Falcons at the league finals. The competition this year promises to be even tighter than last year's. With no Delaneys, Storys, or Sellmans left to carry the Orange banner, this year's Panther track team must depend more on team depth than individual stars to overcome Freeway League foes.

The first league meet of the season proved to be disastrous as rival Santa Ana Valley downed the Panthers 70½ to 33½. Determined to prove themselves, the angry Orangemen relied on team depth to beat Buena Park 54 to 50. Carter's fast improving track team scored another upset win, when they downed Bolsa Grande 56-48. With only two league meets remaining, the anxious Panthers are waiting for the league finals. The O.H.S. spikers would like nothing better than to upset the Falcons at the league finals. At the rate they are improving, the Orangemen cannot be ignored as contenders.

NEWLY ELECTED co-captains, sprinter Mac Moncrief and 880 runner George Cabrera, warm up for their respective races.

The defeat was by Huntington Beach; Orange however lost two pre-season matches. Hard training and extreme effort brought satisfying results on the mat. The boys had to stay away from all of the good food that most people enjoy.

Wrestling, being the newest sport at Orange High School, is one of the most exciting sports on campus. It is finally receiving the recognition it deserves. CIF wrestlers were Kent Armstrong (most valuable), Dan Wright, Jim Donovan, Steve Rodriguez (most improved), and John Campbell.

The OHS Baseball team made C.I.F. playoffs in 1963. Coach Richard Stock led his Panther glovemen to a very successful season. So successful was the team that one player; Larry Stewart, was signed to a professional contract. Coach Stock certainly had a great deal of influence in the forming and molding of Larry Stewart into the player which he is today.

The "64" Baseball season is just underway, and already the Panther team looks like a winner. Coach Dokos has many lettermen returning from last year, and is looking forward to a very successful season.

Girls Athletic

GAA PRESIDENT Chris Viel.

Encouraging good sportsmanship in all of their activities, Girls Athletic Association sparked the minds of athletically-minded girls with their many events. Spurred on by President Chris Viel and their advisors, the members pursued greater knowledge of sports as they entered into practices and playdays. Inter-school playdays, which were one of the more important events of the year, promoted friendship. Starting the year off with basketball, the GAA continued to offer more exciting sports, such as field hockey, volleyball, baseball, tennis, and badminton. Each sport during the year was terminated by an inter-class playday. Modern dance and archery were also offered in the P.E. classes as well as competitive sports. The GAA "Mixer" enabling the older members to become acquainted with the newer ones along with the Off-Campus Banquet helped make the year a success. This year the GAA sponsored their first dance, two fashion shows, and several assemblies for the members. One of the most important social events of the year was the banquet honoring the football players.

Good sportsmanship is a quality always strived for by Orange High School's GAA. The junior GAA members lived up to this high standard set for them. Through the girls' participation in various sports, school spirit and a will to win is instilled in them. In their second year the girls participated in basketball, hockey, volleyball, and softball. The athletically-minded juniors offered surprising competition to the experienced seniors in each of these sports. This year the juniors were coached by Miss Nancy Black, a very popular teacher among her students.

Beginning their high school career as members of the largest organization on campus, the lively and spirited sophomores added their athletic skills and sportsmanship to help make the Orange High School's GAA one of the most successful in the county. In their first year the girls learned the basic skills of hockey, basketball, volleyball, and baseball. Coached by Misses Taylor, Brabender, and Bauder, the sophomores had a successful sports season. Next year the teams will be divided between Orange and Villa Park High Schools to create an intra-Orange competition.

The 1963 girls varsity tennis team was undefeated in all their league tournaments and tied in their one non-league meet. This season the girls played Santa Ana, Anaheim, Capistrano, Laguna, Santa Ana Valley and Huntington Beach. During the first semester they practiced against the handball courts to correct their techniques, as well as playing matches against each other to obtain a higher position on the tennis ladder. This ladder determined the order in which the girls would play in tournaments with the other schools. The GAA netters made a good impression on the other schools with their sparkling white tennis dresses, their skill, and their good sportsmanship.

Any afternoon while walking past the gym one might hear the sound of laughter mixed with the swish and thud of the birdie as it is hit back and forth across the net. These sounds show the good spirit of the girls as they work out each day to improve their games. The latter procedure is the same in tennis. Coached by Mrs. Barbara Clark, an understanding and wonderful teacher, the GAA racqueteers play Corona del Mar, Costa Mesa, Westminster, Laguna, and Newport. They will probably match the tennis teams record, for these girls don't believe in "love".

JUNIOR VARSITY tennis team—L. McFarren, H. Schade, G. Stevens, P. Harlin, K. Kennedy, S. Onalfo, M. Sorensen, L. Nichols, Y. Lempke, J. Geier, L. Tremmell, P. Moody.

ALL STAR badminton—E. Shaw, K. Tavis play a game, while T. Brown, M. Sorensen, B. Berens, and P. Dillow watch.

THE JUNIOR VARSITY badminton team, made up of sophomores, practiced hard during seventh period to perfect their techniques in order to make varsity.

The Stars

In every thing in which one participates there are some who are better than others. They possess the needed qualities to succed. In GAA there are also those who are better in certain sports than others. They are the best—the "all stars." These outstanding players are the shining stars in this organization.

BASKETBALL ALL STARS—I. Luna, K. Zabel, S. Dustin, M. Clark, C. Bosch, J. Danker, L. Moore, J. Petersen.

VOLLEYBALL ALL STARS—K. Bever, K. Hawkins, C. Bosch, A. Young, K. Zabel, J. Danker, B. Wells, B. Haskins, M. Clark.

HOCKEY ALL STARS—S. Dustin, B. Shipke, C. Lempke, I. Luna, J. Danker, R. Escoto, B. Wells, P. Farrell, K. Bever, A. Young.

TENNIS ALL STARS—B. Berens and K. Wilmer shake hands after their match while K. Hawkins and P. Dillow look on.

Projects Perfect

SOME MODERN dancers show a portion of their project.

DANCING, WHICH yields all round development, is one of the most complete languages of the emotions through movement.

Modern dance is not included in the GAA calendar, but it a very important part of the physical education department's curriculum. Approximately 300 girls take modern dance during the year instructed by Mrs. B. Clark and Miss L. Hedlund. Mrs. Nesbitt accompanies the girls on the piano. Modern dance builds coordination and poise, which are very beneficial to the health and well-being of OHS girls. When not interpreting ideas and acts into dance, these girls participate in archery, trampoline, and golf. This is the first year that golf has been offered.

GAA is an organization for girls who enjoy athletics, but sports are not the only events of the year. There are also social events such as the football banquet, the GAA Off-Campus, and a dance sponsored by this organization. Several fashion shows were also presented. These social events, which are greatly enjoyed, round out the activities to make a stronger and better organization for OHS girls.

SOME GAA members model some past and present gym clothes from one of the fashion shows.

STEVE BUSKIRK,
Vice-president of
the Junior class.

CARL CUDWORTH, President of Jr. Class this year has provided excellent leadership in all of his classes activities.

Leaders

This year's Junior class has been involved in many activities this year. Perhaps the most important of those was the Junior-Senior Prom which was a huge success and thought to be one of the best dances of the year.

Earlier in the year the class sponsored an after game dance which was also successful and helped build up the class treasury for the many activities for next year. The class has been preparing itself all year to assume the reins of leadership during their Senior year year.

JUNIOR CLASS Secretary, Pat Ringlebower.

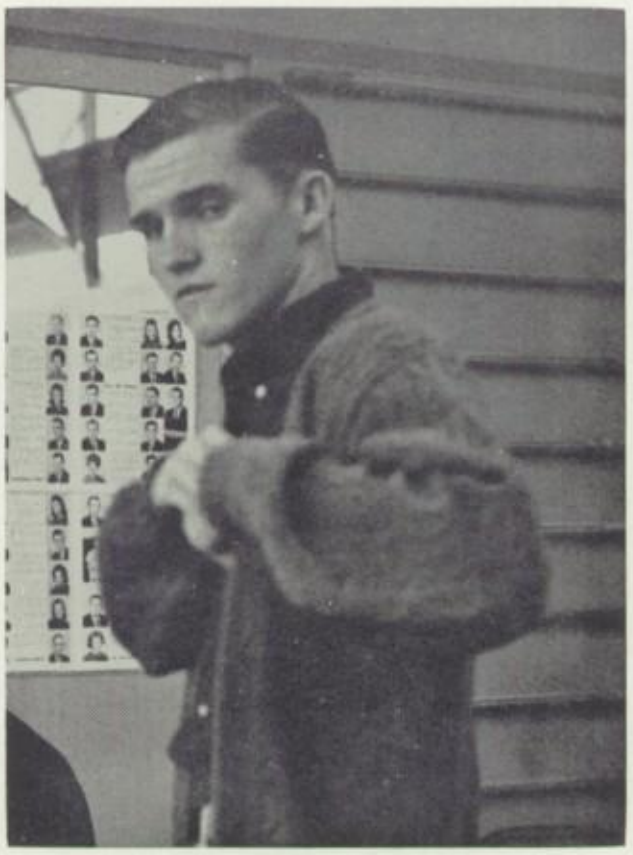
"WELL, IF you are busy Friday night, what about Saturday?"



"I'D SMILE, only my Clearsil would crack."

"LET'S SEE. Left foot forward . . . one . . . two . . . three . . ."

THE AMERICAN Way — Land of Plenty.

"COPS? WHAT are Cops?"

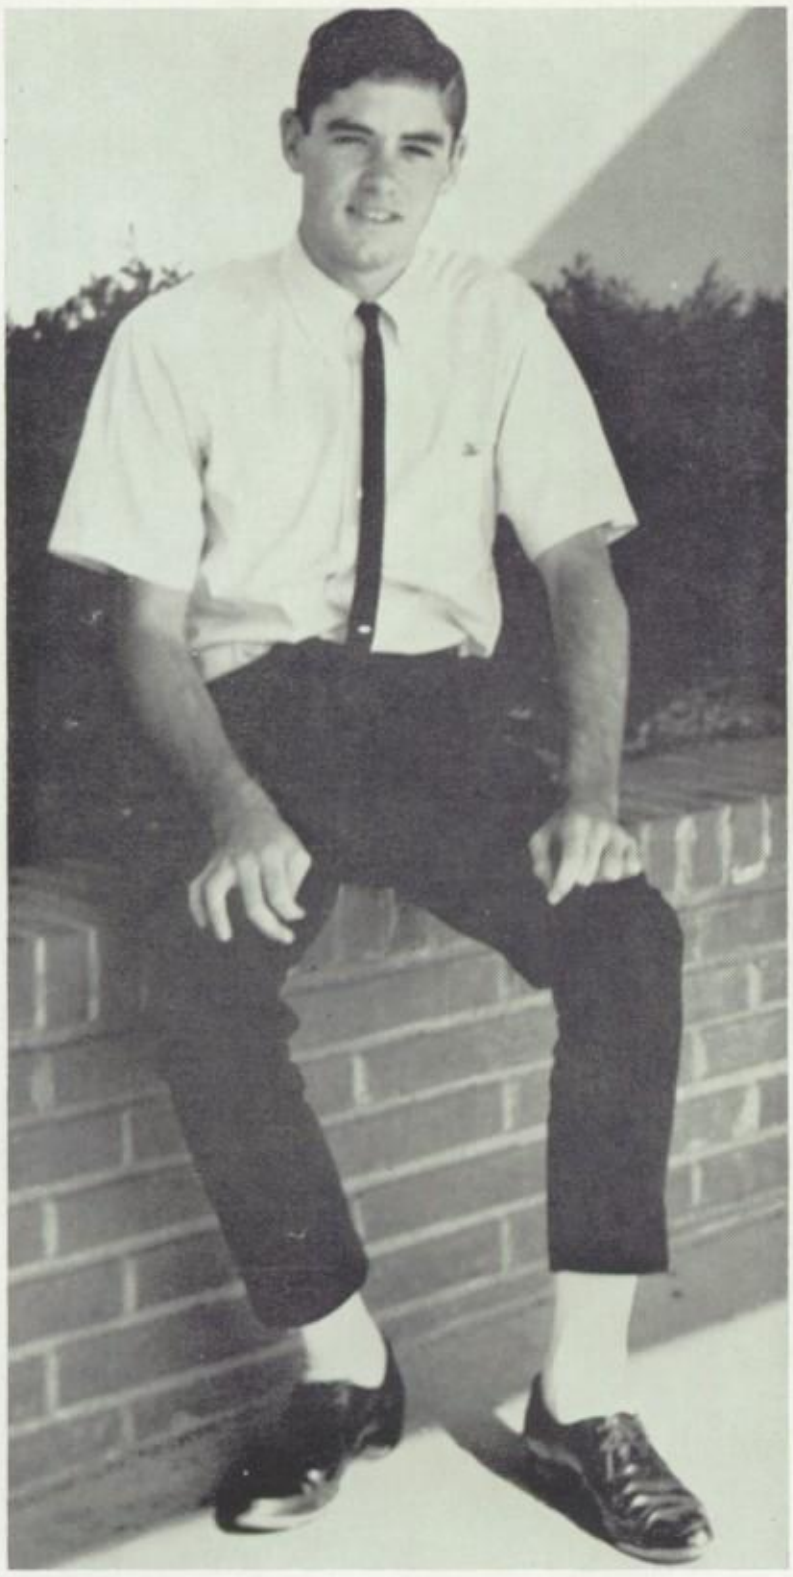
"WHO'D EVER think that we would get the Goodyear Blimp on the first throw?"

THEY NEVER found Jack the Ripper.

SOPHOMORE CLASS steering committee.

Panther

SOPHOMORE CLASS Vice-president, Dennis Surles.



DOUG CERF, Sophomore Class President, has been an extremely busy leader, on campus.

Cubs

The biggest event of this year's Panther Cubs was the sponsoring of the Sophomore Class Carnival. This has become a tradition at OHS and is one of the solid ways which the class has for raising money for their many important activities during their next two years as Juniors and Seniors. Even though members of this class were somewhat bewildered with OHS and its many activities at the beginning of the school year, they have now adjusted quite well and have become Panthers, one and all.

DIANA ODELL, Class Treasurer.

SOPHOMORE CLASS Secretary, Jeanne Hunter.

Today is yesterday's dream!

'64 Orange and White Staff

Acknowlegements

It takes a great deal of hard work and coordination of a lot of people's efforts to produce an Annual.
We would like to thank:

SANDY SKOGLUND, senior art student, who took our ideas and created the mascot for the cover of the 1964 Orange and White.

SKIP OAKES, cartoonist, who served as a lunch, 7th period, and all-afternoon advisor to the staff and contributed his unique talents and friendly humor.

SANTA ANA ENGRAVING, who offered valuable advice and encouragement when we were behind schedule.

"K" PHOTO CENTER, who put a lot of extra hours in to get our work out when we needed it most.

McINNIS PRINTERS, who did such a fine job on the printing of the annual this year.

MR. VERRILL A. TOWNSEND, principal, who offered advice and counseled us on the various sections, and who offered encouragement to us.

MRS. JEANETTE CHRISTOPHER, counselor, who took her valuable time to offer many ideas from her many years of experience in the area of journalism.

THE OFFICE SECRETARIES, Dora Pierce, Jessi Cherri, Wilma Perruca, Marge Liggett, Judy Logue, and Norma Eggers, who helped us in a myriad of ways every time we called for help.

BETTY REUSCH and BRUCE CUMMINGS, annual photographers, who spent long extra hours covering the many activities of OHS which this book encompasses.

Most Remembered Moments

LYNDA COLLINS ..... the kindly encouragement of our 'dirty beloved editor.'

SHARON HANSEN ..... when she was threatened with a deficiency notice.

LOWELL LARSON ..... writing copy with every other word misspelled, and goofing around and still getting a 2.

JERRY PETERSON ..... observing Lowell and DeAnna.

RICK FRENCH ..... Lowell Larson.

BOBBIE JO NIELSON ..... being scared through the window by Mr. Rogers, our next door neighbor geometry teacher.

ROGER MASIEWICZ ..... all the pictures he never took.

BETTY REUSCH ..... shooting her very last picture and watching DeAnna and Lowell do the Samoan dance on the table.

BRUCE CUMMINGS ..... the night he blew up the Strobe Flash attachment, and balancing on the roof to take the two page band picture.

KATHY WOODRUFF ..... when she lost her whole section, copy and pictures.

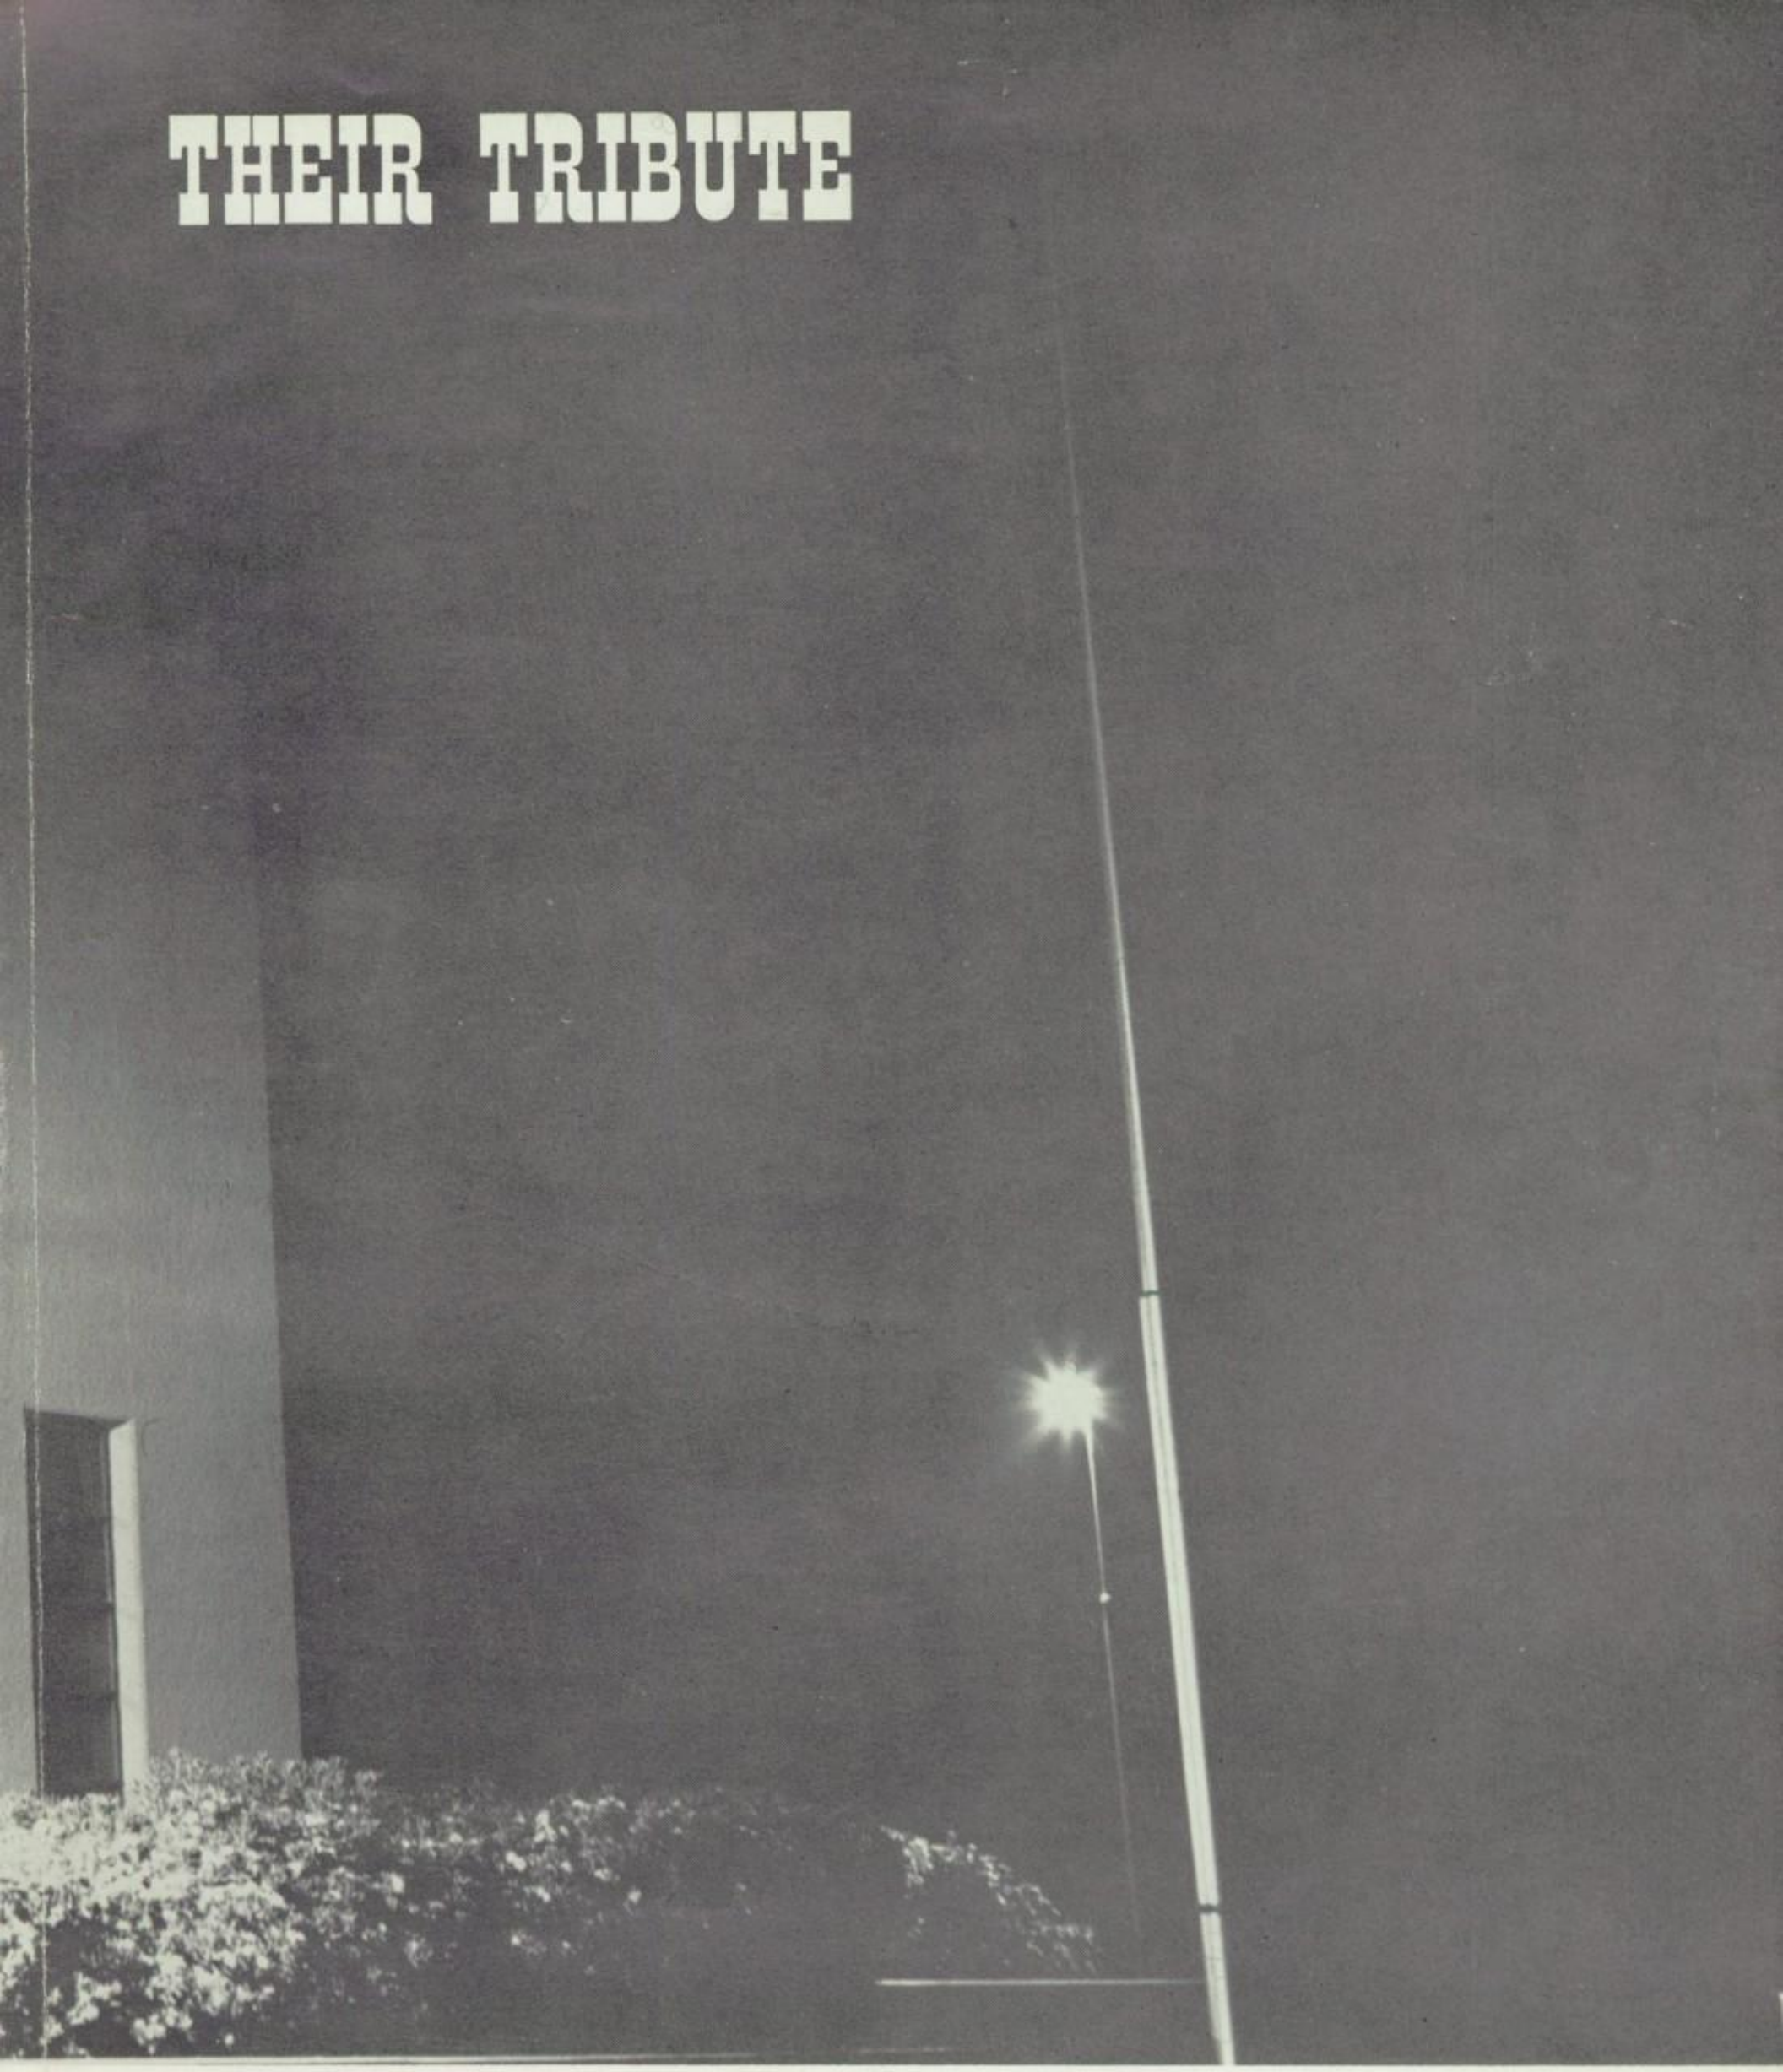
ALMA MATER

THEIR TRIBUTE



In the years to come, as we recall our years at Orange High School, each of us will picture separate events which are meaningful to us as individuals. But one thing which we will remember in common and with deep appreciation is the excellence, understanding and dedicated ability of our teachers. To each of them, we wish to express our gratitude for this full year's job, well done.
